

BENCH MATS - ALPHA SERIES GUN MAT 36"X12" BLACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

Bring your love for Midwest Industries to the work bench in a whole different way with their heavy duty Promat! Available in two different models, showcasing the Midwest Industries Alpha Series or the AR-15 Series mat. Lightweight, heavy duty gunmat for your armorer's bench or workshop. Spacious 36"x12" padded work area. Non-slip textured rubber base protects your work surface. Constructed of 1/8" vulcanized rubber with soft heat bonded polyester protects your firearm from scratches. Dye sublimation printing won't wear or rub off. Solvent and oil resistant. Lifetime warranty. Designed and printed in the USA. Storing Your ProMat: Rolls up for easy compact storage. Roll mat, with image side in. Easily fits into your range bag, gun vault, or other storage locations. *Leaving your ProMat in direct sunlight for extended periods of time may cause the image to fade.* Cleaning Your ProMat: Recommended: Hand Wash. Rinse with warm water, apply mild dish soap, agitate & lather with fingers or rub the top cloth together, and rinse with warm water and air dry.

BENCH MATS ALPHA SERIES GUN MAT 36"X12"

BLACK Safety Instruction Guide

Introduction

Thank you for choosing the BENCH MATS ALPHA SERIES GUN MAT. This guide provides essential safety instructions to ensure the safe use and maintenance of your gun mat. Please read this manual carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the gun mat is used on a stable and flat surface to prevent slipping or movement during use.
- Keep the gun mat away from open flames, extreme heat sources, and direct sunlight to avoid damage.
- Regularly inspect the mat for any signs of wear or damage. Discontinue use if any defects are found.
- Avoid using sharp objects that may puncture or tear the mat's surface.
- Store the gun mat in a cool, dry place when not in use to maintain its quality.

Specific Safety Precautions for Use

- *NonSlip Base:* Ensure the nonslip textured rubber base is in contact with the work surface for stability.
- *Avoid Chemical Exposure:* While the mat is solvent and oil resistant, avoid prolonged exposure to harsh chemicals that may degrade the material.
- *Child Safety:* Keep the mat out of reach of children to prevent accidents or misuse.
- *Use in WellVentilated Areas:* When cleaning the mat, ensure that the area is wellventilated to avoid inhaling any fumes from cleaning agents.

Instructions for Installation and Usage

1. Unrolling the Mat:

- Carefully unroll the gun mat and lay it flat on your work surface.
- Ensure that the image side is facing up and the nonslip base is in contact with the surface.

2. Using the Mat:

- Place your firearm and tools on the padded work area to protect them from scratches.
- Avoid placing heavy objects that may cause indentations or damage to the mat.

3. Cleaning the Mat:

- Recommended method: Hand wash.
- Rinse the mat with warm water.
- Apply mild dish soap and agitate with fingers or rub the top cloth together.
- Rinse again with warm water and air dry completely before storing.

4. Storing the Mat:

- Roll the mat up with the image side in.
- Store it in a range bag, gun vault, or other suitable storage locations.
- Avoid leaving the mat in direct sunlight for extended periods to prevent fading of the image.

Disposal Instructions

- Dispose of the gun mat responsibly according to local regulations.
- If the mat is damaged beyond repair, consider recycling options for rubber and polyester materials.

Contact Information for Further Support

For any safety inquiries or additional support, please contact your local retailer or manufacturer's customer service. Ensure to provide relevant details about your product for efficient assistance.

By following the guidelines and precautions outlined in this safety instruction guide, you can ensure a safe and effective experience with your BENCH MATS ALPHA SERIES GUN MAT. Thank you for your attention to these important safety measures.
