

SXT SERIES M-LOK HANDGUARDS - SAMSON MANUFACTURING CORP SXT HANDGUARD 11" M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

NEW FEATURES: Sleek, Chamfered Leading Edge Ambidextrous Integrated QD Sling Point 7-Sided M-LOK® Includes (1) 2" M-LOK® Attachment If you're looking for a quality USA made handguard for your AR-15, the NEW SXT Series Handguards are what you need. These rugged free-floating handguards offer a 7-Sided M-LOK® attachment system, ambidextrous integrated QD sling point, a sleek chamfered leading edge and comes with a 2" M-LOK® attachment. These handguards will not let you down. Easy to install - the simple clamping system uses two cross bolts which fit into the barrel nut for a rapid and easy installation. (The old SXS Series clamping system used a bias block on the bottom to secure the forearm to the barrel nut—which required knurling). INCLUDES: Hex wrench, barrel nut, and barrel nut wrench FEATURES: Easy to install mount clamping system Free float design Sleek, chamfered leading edge Ambidextrous integrated QD 7-Sided M-LOK® 2" M-LOK® Attachment Specifications: Material: 6061-T6 aluminum Finish: MIL-A-8625 type III class 2 anodizing For additional specifications click on the Specifications tab Made in New Hampshire USA SPECS: 9" HANDGUARD Actual Length: 9.25" Attachment: M-LOK Weight with Barrel Nut (oz): 11.3 Internal Diameter: 1.25" Outer Diameter: 1.6" 11" HANDGUARD Actual Length: 11" Attachment: M-LOK Weight with Barrel Nut (oz): 12.6 Internal Diameter: 1.25" Outer Diameter: 1.6" 15" HANDGUARD Actual Length: 15" Attachment: M-LOK Weight with Barrel Nut (oz): 15.2 Internal Diameter: 1.25" Outer Diameter: 1.6"

SXT Series MLOK Handguards Safety Instruction Guide

Introduction

Thank you for choosing the SXT Series MLOK Handguards by Samson Manufacturing Corp. This guide provides essential safety instructions to ensure the safe and effective use of your handguard. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the handguard is installed correctly to prevent accidents or injuries.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the handguard and all related components out of the reach of children.
- Regularly inspect the handguard for any signs of damage or wear before use.
- Be aware of local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's weight limit for attachments on the handguard.
- Ensure that all MLOK attachments are securely fastened before use.
- Avoid using the handguard in extreme conditions that may affect its integrity, such as high temperatures or excessive moisture.
- If you notice any unusual noises or movement while using the handguard, stop use immediately and inspect it for issues.
- Always wear appropriate safety gear, such as eye protection, when using firearms equipped with the handguard.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools: hex wrench, barrel nut, and barrel nut wrench.
- Ensure the firearm is unloaded and safe before beginning installation.
- Remove the existing handguard if applicable.
- Align the new SXT handguard with the barrel nut.
- Use the provided hex wrench to secure the handguard in place with the two cross bolts.
- Ensure the handguard is firmly attached and does not move.

2. Usage:

- Familiarize yourself with the handguard's features, including the ambidextrous integrated QD sling point and MLOK attachment system.
- Attach accessories using the MLOK slots as needed, ensuring they are securely fastened.
- Practice proper firearm handling techniques while using the handguard.
- Regularly check the attachment points for any loosening during use.

Disposal Instructions

- Dispose of the handguard responsibly, following local regulations for aluminum recycling.
- If the handguard is damaged beyond use, ensure it is disposed of in a way that prevents it from being used improperly.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SXT Series MLOK Handguards, please refer to the manufacturer's contact details provided with your product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SXT Series MLOK Handguards. Thank you for your attention to safety.
