Safety Instruction Guide for CARBINE BUFFER ASSEMBLY FOR 9MM LUTHAR

Introduction

Thank you for choosing the CARBINE BUFFER ASSEMBLY FOR 9MM LUTHAR. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when handling or using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Use of incompatible components may cause failure.
 - Failure to follow safety guidelines may result in serious injury or death.
- **Avoiding Hazards:**
 - Always ensure the buffer assembly is compatible with your firearm.
 - Follow all local laws and regulations regarding firearm components.
 - Do not modify or alter the buffer assembly in any way.
 - Ensure the firearm is unloaded before installation or maintenance.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the following components ready:
 - 9mm Buffer
 - MilSpec Carbine Buffer Tube (6Position)
 - Buffer Spring
 - Castle Nut
 - Latch Plate
- Follow these steps for installation:
 - Remove the existing buffer tube if applicable.
 - Install the MilSpec Carbine Buffer Tube onto the lower receiver of the firearm.
 - Insert the buffer spring into the buffer tube.
 - Insert the 9mm buffer into the buffer tube.
 - Secure the buffer tube with the castle nut and latch plate.
 - Ensure all components are tightly secured and functioning properly.

2. Usage:

- Always ensure the firearm is pointed in a safe direction when handling.
- Regularly check the buffer assembly for any signs of wear or damage.
- Use only recommended ammunition for optimal performance.

- After use, clean and maintain the buffer assembly according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the CARBINE BUFFER ASSEMBLY FOR 9MM LUTHAR, please refer to the manufacturer's website or contact their customer support for assistance.

Please keep this guide for future reference and ensure that all users of this product are aware of these safety instructions. Thank you for your attention to safety and responsible use of your CARBINE BUFFER ASSEMBLY.
