# Safety Instruction Guide for AR308 Helical 1 Piece Gas Ring

## Introduction

Thank you for choosing the AR308 Helical 1 Piece Gas Ring by LuthAR. This product is designed to enhance the performance and reliability of your .308 caliber and 7.62 caliber AR. To ensure your safety and the proper functioning of this gas ring, please read and follow the instructions and guidelines provided in this document.

## General Safety Guidelines

- Always handle firearms and their components with care and in accordance with standard safety practices.
- Ensure that you are familiar with the operation of your AR308 before installation.
- Inspect the gas ring and surrounding components for any signs of wear or damage before and after installation.
- Keep the gas ring and all firearm components out of reach of children and unauthorized users.
- Do not use the gas ring for any purpose other than its intended use as specified in this guide.
- If you experience any issues with the gas ring, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunctions of the firearm.
  - Failure to ensure the gas ring is compatible with your firearm may result in unsafe conditions.
- **Avoiding Hazards:**
  - Always verify that the firearm is unloaded before installing or replacing the gas ring.
  - Follow the installation instructions carefully to avoid improper fitting.
  - Regularly check for gas leaks or any abnormal functioning of the firearm after installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your AR308 is unloaded and in a safe condition.
- Gather necessary tools: a cleaning cloth, a small brush, and any required installation tools.

### 2. Removing the Old Gas Ring:

- Carefully remove the gas tube from the upper receiver.
- Gently slide off the old gas ring, taking care not to damage the gas tube or surrounding components.

### 3. Installing the New Gas Ring:

- Align the new AR308 Helical 1 Piece Gas Ring with the gas tube.
- Slide the gas ring onto the gas tube until it is securely in place.
- Ensure that the gas ring is seated properly and is not obstructed.

### 4. Reassembling the Firearm:

- Reattach the gas tube to the upper receiver.
- Check that all components are secure and properly aligned.

- Perform a function check to ensure the firearm operates smoothly.

#### **5. PostInstallation Check:**

- After installation, inspect the gas ring for proper seating and alignment.
- Test fire the firearm in a safe and controlled environment to ensure proper operation.

## **Disposal Instructions**

- Dispose of any old or damaged gas rings and components in accordance with local regulations.
- Do not dispose of gas rings in regular household waste. Instead, check for local recycling or hazardous waste disposal options.

## **Contact Information for Further Support**

For additional support or inquiries regarding the AR308 Helical 1 Piece Gas Ring, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these guidelines, you can ensure the safe use and longevity of your AR308 Helical 1 Piece Gas Ring. Always prioritize safety and responsibility when handling firearms and their components.
