

# AK ALPHA MINI DOT MOUNT PICATINNY - MIDWEST INDUSTRIES AK ALPHA MINI DOT MOUNT PICATINNY BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

From Midwest Industries, a simple solution allows for the mounting of red dots on Picatinny bases. Designed to fit AK47 and AK74 rear sights on stamped or milled firearms. Extremely rigid design utilizing steel locking blocks to ensure minimal side-to-side play. Features built-in iron sight - allowing lower 1/3 co-witness for the use of backup sights with most red dots. No permanent modification to firearm, allowing factory rear sight to be reinstalled if desired. Will still allow full field stripping with standard AKM pattern rifles. Made from 6061 hardcoat anodized aluminum. Weight: 2.2oz. Patent Pending Design. Made 100% in USA. Minor fitting may be required. Tools not included.

# AK Alpha Mini Dot Mount Safety Instruction Guide

## Introduction

Thank you for choosing the AK Alpha Mini Dot Mount by Midwest Industries. This product is designed to allow the mounting of red dot sights on picatinny bases for AK47 and AK74 firearms. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the product is used only as intended.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- If you notice any defects, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the mount.
- Use appropriate tools for installation; tools are not included with the product.
- Minor fitting may be required; do not force the mount into place.
- Be aware of the weight of the mount (2.2oz) and ensure that your firearm can accommodate this additional weight.
- Always verify that the mount is securely attached before use.
- Do not modify the mount or firearm in any way that could compromise safety.
- The mount allows for a lower 1/3 cowitness with backup sights; ensure proper alignment before use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (not included).

### 2. Installation:

- Remove the factory rear sight from your AK47 or AK74 firearm.
- Align the AK Alpha Mini Dot Mount with the rear sight mounting area.
- Secure the mount in place using the provided locking blocks.
- Ensure that the mount is firmly attached to prevent any movement.

### 3. Usage:

- Attach your red dot sight to the mount according to the sight's manufacturer instructions.
- Check the alignment of the sight with the mount.
- Conduct a function check to ensure that the sight operates correctly with the mounted configuration.

### 4. PostInstallation Check:

- Regularly inspect the mount and sight for any signs of loosening or wear.
- Ensure that the mount does not interfere with the operation of the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer in use, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further assistance regarding the AK Alpha Mini Dot Mount, please refer to the manufacturer's contact details provided with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are our top priorities.
