Safety Instruction Guide for WCP365 XMACRO Grip Module

Introduction

Thank you for choosing the WCP365 XMACRO Grip Module by Wilson Combat. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new grip module. Please read this guide thoroughly before use.

General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the grip module is compatible with your firearm model before installation.
- Regularly inspect the grip module for any signs of wear or damage.
- Keep the grip module and firearm out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or modifying the grip module.
- Use only factory-approved accessories with your grip module to maintain safety and functionality.
- Avoid using the grip module in wet or extreme environmental conditions that could impair its performance.
- Be aware of the grip module's design features, such as the highcut 1911style beavertail grip tang, which is intended for smooth draws.
- When using the firearm, maintain a firm grip to enhance control and reduce recoil.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing grip module from the SIGSAUER P365 XMacro by following the manufacturer's instructions.
- Align the Wilson Combat P365 XMacro grip module with the firearm frame.
- Securely fasten the grip module in place, ensuring all components are properly seated.
- Reinstall the factory SIG SAUER magazine release, spring, and lock as needed.

2. Usage:

- Grip the firearm firmly by utilizing the improved grip traction provided by the Starburst grip pattern.
- Practice proper shooting stance and techniques to maximize control and accuracy.
- Regularly check the grip module for tightness and secure fit during use.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations regarding plastic waste and firearm accessories.
- Do not incinerate or expose the grip module to extreme heat, as this may cause harmful emissions.

Contact Information for Further Support

For any inquiries or concerns regarding safety or performance, please contact your local dealer or Wilson Combat directly for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your WCP365 XMACRO Grip Module. Thank you for prioritizing safety and responsible firearm use.
