

# BRN-4 STRIPPED BARRELS CHROME LINED - BROWNELLS BRN-4 5.56X45 NATO 14.5" HEAVY CHROME LINED BARREL PHOSPHATE

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Brownells BRN-4 HK® 416 compatible barrels, available in a variety of lengths and two contours. Historically extremely hard to procure, HK® 416 compatible barrels are now available as part of the BRN-4 lineup. These barrels machined by Faxon, fit early generations of HK® 416 upper receivers and components.

They are the perfect fit with the BRN-4 bolt carrier group and gas block (search "BRN-4" for all parts). Available in common barrel lengths of 10.4, 14.5 and 16 inch, these barrels are suitable for any need. You can select the classic "heavy" profile, which is similar to the profile found on earlier HK® 416 models, ensuring barrel rigidity with minimal flex, or you can pick the new "medium" profile, which saves weight and makes the rifle quite handy. Barrels are button rifled with a 1-7 twist and have commonly used 1/2-28 muzzle threads for the attachment of the muzzle device of your choice. A deep black nitride finish provides an extremely hard exterior and interior, that is easy to clean. The longer barrel extension of the BRN-4 allows for a robust matchup to the upper receiver, and a simple install with the BRN-4 barrel nut (430-100-141). 5.56x45mm NATO chamberings allow for a wide variety of commercially found ammunition to function, as well as 223 Remington cartridges. No need to worry about picking the right gas system length, as all of these barrels have the same piston rod assembly (078-000-644), just be sure to pick the correct BRN-4 gas block to match your overall barrel length, (078-000-708 & 078-000-709). Be sure to pick up the gas block coil pins for final assembly as well (430-103-127). Recommended Barrel Nut Torque: 50-80 ft/lbs

## Attributes

- Name: [BROWNELLS BRN-4 5.56X45 NATO 14.5" HEAVY CHROME LINED BARREL PHOSPHATE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 430107813
- Mfr. No.: BN-BRN4556-CLMP-14.5H
- Cartridge: 5.56 x 45
- Contour: Heavy
- Finish: Black
- Gas System Length: 416
- Length: 14.5"
- Muzzle Threads: 1/2-28
- Twist: 1-7
- Delivery weight: 1.041kg
- Shipping height: 32mm
- Shipping width: 32mm
- Shipping length: 394mm
- UPC: 050806000889

# Safety Instruction Guide for BRN4 Stripped Barrels

## Introduction

Thank you for choosing the Brownells BRN4 Stripped Barrels. This guide provides essential safety instructions to ensure the safe use and handling of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that the BRN4 Stripped Barrels are used only for their intended purpose. Misuse may lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Follow the instructions provided in recall notices for necessary actions.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify that the product meets all safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any safety concerns related to this product.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper installation may lead to malfunction or failure.
- Using incompatible components may cause safety hazards.
- Always ensure the barrel is clean and free from obstructions before use.

### • Avoiding Hazards:

- Do not exceed the recommended torque specifications during installation.
- Use only compatible ammunition (5.56x45mm NATO or .223 Remington).
- Ensure the gas system length matches the barrel specifications to prevent cycling issues.

### • Age Specific Warnings:

- This product is intended for adult users only. Ensure that all users are knowledgeable about firearm safety and handling.

## Instructions for Installation and Usage

### • Installation Instructions:

1. Gather all necessary tools and components, including the BRN4 barrel nut (430100141) and gas block (078000708 or 078000709).
2. Ensure the firearm is unloaded and in a safe condition before beginning installation.
3. Align the barrel extension with the upper receiver.
4. Install the barrel nut using the recommended torque of 5080 ft/lbs.

5. Attach the gas block ensuring it matches the barrel length and properly aligns with the gas port.
6. Insert the gas block coil pins (430103127) to secure the gas block.

- **Usage Instructions:**

- Always verify that the firearm is in good working condition before use.
- Use only the recommended ammunition types.
- Regularly inspect the barrel for signs of wear or damage.
- Clean the barrel regularly to ensure optimal performance.

## Disposal Instructions

- Dispose of any packaging materials responsibly, adhering to local recycling regulations.
- If the barrel is damaged or no longer in use, contact local waste management for guidance on proper disposal methods. Do not dispose of in regular trash.

## Contact Information for Further Support

For further assistance, please refer to the contact information provided with your product packaging. Ensure you have your product details handy when seeking support.

Thank you for your attention to these safety guidelines. Proper handling and adherence to these instructions will help ensure a safe and enjoyable experience with your Brownells BRN4 Stripped Barrels.
