Safety Instruction Guide for Flush Mount Replacement for Remington Choke Tubes

Introduction

Thank you for choosing the Flush Mount Replacement for Remington Choke Tubes by Carlson's. This safety instruction guide is designed to ensure the safe and effective use of your choke tubes. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the choke tube is compatible with your Remington shotgun model.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Regularly inspect choke tubes for signs of wear or damage before use.
- Keep choke tubes and firearms out of reach of children and unauthorized users.
- Use appropriate protective gear, such as ear and eye protection, when shooting.
- Follow all manufacturer instructions and guidelines for use and maintenance.

Specific Safety Precautions for Use

- Do not use steel shot larger than #BB or speeds exceeding 1550 fps in choke tubes tighter than full.
- Avoid using steel shot larger than #4 in Turkey Choke Tubes.
- Only use lead, steel, and HeviShot in accordance with the specifications provided.
- Ensure that the choke tube is securely installed before firing.
- Do not attempt to modify or alter the choke tube in any way.
- If you experience any unusual performance or malfunction, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure that your shotgun is unloaded and pointed in a safe direction.
- Remove the existing choke tube using the appropriate choke wrench.
- Clean the threads of the choke tube and the barrel to remove any debris.
- Carefully screw in the new choke tube by hand until it is snug.
- Use the choke wrench to tighten the choke tube fully, but do not overtighten.

2. Usage:

- Load your shotgun in accordance with local regulations.
- Always check the choke tube before each use to ensure it is secure.
- Fire your shotgun in a safe environment, ensuring that the area is clear of bystanders.
- After use, clean the choke tube and shotgun barrel to maintain performance.

Disposal Instructions

- Dispose of any damaged or worn choke tubes in accordance with local waste disposal regulations.
- Do not throw away choke tubes in regular household trash. Instead, contact local recycling centers or hazardous waste facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Flush Mount Replacement for Remington Choke Tubes, please refer to the manufacturer's website or contact the retailer where you purchased the product.

By following these guidelines, you can ensure a safe and enjoyable experience with your Flush Mount Replacement for Remington Choke Tubes. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these important safety instructions.
