Safety Instruction Guide for ARCA SWISS® TO MLOK RAIL SYSTEM TRIPOD PLATE

Introduction

Thank you for choosing the ARCA SWISS® TO MLOK RAIL SYSTEM TRIPOD PLATE. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the tripod plate before each use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- If you experience any difficulties or have questions regarding the product, seek assistance before use.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Verify that the tripod plate is securely attached to your MSR or chassis forend before use.
- Avoid overloading the tripod plate beyond its specified weight limit of 0.31 lbs.
- Use only compatible equipment with the tripod plate to prevent damage or accidents.
- Do not modify the tripod plate in any way, as this may compromise its safety and functionality.
- Always follow the manufacturer's instructions when mounting or dismounting equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the area is clean and free from debris before installation.
- Align the MLOK® to Arca Swiss® rail systems with the mounting points on your MSR or chassis forend.
- Securely fasten the tripod plate to the rail system using the provided hardware.
- Doublecheck that all screws and fasteners are tightened properly.

2. Usage:

- Attach your DeathGrip® Infinite, DeathGrip® Sherpa, or Infinite Tripod to the mounted tripod plate.
- Ensure that the attachment is secure and stable before use.
- When adjusting the position of the tripod, do so carefully to maintain stability.
- If using with other Arca Swiss® mount systems, ensure compatibility and secure attachment.

Disposal Instructions

- Dispose of the product according to local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in an environmentally friendly manner.
- Do not dispose of the product in general waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety, product performance, or support, please refer to the manufacturer's contact information provided separately. It is essential to have access to assistance should any issues arise.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
