FIBER REINFORCED POLYMER TRIANGLE STOCK BODY Safety Instruction Guide

Introduction

Thank you for choosing the FIBER REINFORCED POLYMER TRIANGLE STOCK BODY by A3 Industries. This guide provides essential safety information to ensure the safe use, installation, and disposal of your product. Please read this document carefully before use to familiarize yourself with the safety guidelines and operational instructions.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the product is suitable for your firearm model (AR15) to avoid compatibility issues.
- Inspect the product regularly for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Do not modify or alter the product in any way.
- Always follow local laws and regulations regarding firearm accessories and usage.
- In case of any malfunction, discontinue use immediately and seek professional assistance.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunction.
- Using the product with incompatible firearms can cause safety risks.
- Failure to secure the product properly may result in accidents.

• Avoiding Hazards:

- Ensure that all components are correctly assembled before use.
- Use only approved accessories and attachments with this stock.
- Always check that the stock is securely latched in both open and folded positions before handling.
- Use the product only in a safe environment, free from distractions and hazards.

• AgeSpecific Warnings:

- This product is intended for adult users only. Keep it away from children and those unfamiliar with firearm safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock if applicable, following the manufacturer's instructions.
- Align the FIBER REINFORCED POLYMER TRIANGLE STOCK BODY with the receiver of your AR15.
- Secure the stock using the provided hardware, ensuring it is tightly fastened.
- Attach the quickdisconnect (QD) sling mounts as needed.

2. Usage:

- To deploy the stock, pull it away from the receiver until it clicks into place.

- Ensure the stock is locked in the open position before use.
- To fold the stock, press the hinge mechanism and gently fold it against the firearm.
- Always check the stability of the stock before firing.

3. Maintenance:

- Clean the stock with a soft cloth and mild detergent as needed.
- Inspect the rubber buttpad and cheekrest for wear and replace if necessary.
- Ensure all moving parts are functioning smoothly and lubricate if required.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and metal waste.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer functional, take it to a designated waste disposal facility.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the FIBER REINFORCED POLYMER TRIANGLE STOCK BODY, please refer to the manufacturer's official website or customer service channels.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Always prioritize safety when using firearm accessories.
