

# COLLET NECK SIZER DIES - LEE PRECISION 6.5X55MM SWEDISH MAUSER COLLETE NECK SIZING DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

# Safety Instruction Guide for COLLET NECK SIZER DIES LEE PRECISION 6.5X55MM SWEDISH MAUSER

## Introduction

Thank you for purchasing the COLLET NECK SIZER DIES LEE PRECISION 6.5X55MM SWEDISH MAUSER. This product is designed to help you achieve the highest level of accuracy in your ammunition loading. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Ensure that all tools and equipment are in good working condition before use.
- Store the dies in a safe place, out of reach of children and pets.
- Do not use the dies for any purpose other than intended.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the die is compatible with your reloading press and the specific cartridge you are using.
- Do not exceed the maximum load specifications for the ammunition you are reloading.
- Always doublecheck measurements and adjustments before proceeding with reloading.
- Use only recommended lubricants and cleaning agents for your reloading equipment.
- Avoid using the dies if they show signs of damage or wear. Replace them as necessary.
- Be aware of the potential hazards associated with handling ammunition components.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove any existing dies from the press.
- Insert the COLLET NECK SIZER DIE into the press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

### 2. Usage:

- Prepare your brass cases by cleaning them thoroughly.
- Insert a case into the die and adjust the press handle to engage the collet.
- Apply steady pressure to size the neck of the case against the precision mandrel.
- Inspect the sized case for proper fit and minimal runout.
- Repeat the process for additional cases as needed.

### 3. PostUsage:

- Clean the die after use to prevent residue buildup.
- Store the die in a protective case to avoid damage.

## **Disposal Instructions**

- Dispose of any damaged or worn dies in accordance with local regulations.
- Recycle brass cases and other materials where possible.
- Do not dispose of ammunition components in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the COLLET NECK SIZER DIES LEE PRECISION 6.5X55MM SWEDISH MAUSER, please refer to the manufacturer's customer support resources or consult the product packaging for additional information.

Thank you for choosing LEE PRECISION for your reloading needs. Your safety and satisfaction are our top priorities.
