

# **DXT2 STANDARD DOT NIGHT SIGHTS FOR GLOCK 17/19/22/32/47 - XS SIGHT SYSTEMS DXT2 STANDARD DOT NIGHT SIGHT GLOCK 17/19/22/27/31 GREEN**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS DXT2 Standard Dot Night Sights offer superior front sight visibility in all lighting conditions. DXT2 Standard Dot sights drive focus to the front sight using a high-contrast front and a low-profile V-notch rear. DXT2 Standard Dot front sights use a patent pending glow dot that absorbs light and glows in low light levels before it is dark enough to see the tritium. The increased surface area of the convex dot increases light absorption, intensifying the charge of the glow properties of the dot. The dot-the "i" sight picture, with a tritium dot in the front sight and a tritium bar in the rear, prevents confusing the front and rear sight in high-stress situations. In most gunfights, the victim and attacker are both moving, and the victim's focus is drawn to the threat. The wide field of view increases visibility of the front sight and of the threat downrange. Outside Diameter Standard Dot 0.140"; fits in common holsters. Installation might require filing to fit sight to dovetail, especially with Walther PDP. Fits Glock models 17, 19, 22, 23, 24, 26, 27, 31, 32, 33, 34, 35, 36; Taurus G3c, GX4, and new production G3; Walther PDP and new production CCP M2. Do not use sight press/pusher tool.

## **Attributes**

- Name: [XS SIGHT SYSTEMS DXT2 STANDARD DOT NIGHT SIGHT GLOCK 17/19/22/27/31 GREEN](#)
- Manufacturer: [XS SIGHT SYSTEMS](#)

# Safety Instruction Guide for DXT2 Standard Dot Night Sights for Glock

## Introduction

Thank you for choosing the DXT2 Standard Dot Night Sights for your Glock firearm. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the night sights are compatible with your specific Glock model.
- Always handle firearms safely and responsibly.
- Keep the night sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If you notice any issues, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- The night sights are designed for use in lowlight conditions. Ensure you are familiar with their operation in various lighting scenarios.
- Avoid using the sights if they appear damaged or if the glow dot is not functioning as intended.
- Do not attempt to modify the sights in any way, as this may compromise their safety and effectiveness.
- Be aware of your surroundings and ensure a clear line of sight when aiming your firearm.
- Always keep the firearm pointed in a safe direction when using the night sights.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing sights from your Glock using appropriate tools.
- Align the DXT2 Standard Dot Night Sights with the dovetail.
- If necessary, file the sight to fit the dovetail, particularly on Walther PDP models.
- Secure the sights in place according to the manufacturer's instructions.

### 2. Usage:

- Familiarize yourself with the sight picture, which includes a tritium dot in the front sight and a tritium bar in the rear.
- Practice aiming with the sights in a safe environment to build confidence.
- Use the sights in conjunction with proper shooting techniques to enhance accuracy.

## Disposal Instructions

- Dispose of the night sights in accordance with local regulations.
- Do not throw the sights in regular household waste.
- If the sights are damaged or no longer usable, contact a local waste disposal facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the DXT2 Standard Dot Night Sights, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your DXT2 Standard Dot Night Sights. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
