

R3D 2.0 NIGHT SIGHTS FOR S&W M&P 2.0 OPTIC READY - XS SIGHT SYSTEMS R3D 2.0 STD. HT. S&W OPTIC READY M&P2.0 FS/COMP GREEN

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

XS second-generation R3D night sights are engineered to give you a brighter, stronger set of sights. Easily install your sights with a set that requires 50% less force for installation. R3D sights are built to withstand years of EDC use and abuse. The set drives focus downrange using a serrated blacked-out rear sight and a dual-illuminated tritium photoluminescent front sight. R3D sights are the brightest notch and post option for fast and accurate shooting in bright and low light. Fits M&P 2.0 OR: Full Size & Compact

R3D 2.0 Night Sights Safety Instruction Guide

Introduction

Thank you for choosing the R3D 2.0 Night Sights for your Smith & Wesson M&P 2.0 Optic Ready. This guide provides essential safety instructions and usage information to ensure the safe and effective use of your night sights. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always handle firearms and accessories with care to prevent accidents.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the night sights in any way.
- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Use appropriate tools for installation to avoid damaging the sights or firearm.
- Avoid using the sights in extreme weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a clear line of sight during use.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** You will need a screwdriver compatible with the sight screws and a torque wrench if applicable.
2. **Ensure Firearm is Unloaded:** Verify that your firearm is completely unloaded and pointed in a safe direction.
3. **Remove Existing Sights:** If applicable, use the screwdriver to carefully remove the existing sights from your M&P 2.0.
4. **Align the New Sights:** Position the R3D 2.0 Night Sights on the slide of the firearm, ensuring proper alignment with the front and rear sight.
5. **Secure the Sights:** Tighten the screws using the screwdriver. Ensure they are secure but do not overtighten to avoid damage.
6. **Check Alignment:** Once installed, check the alignment of the sights to ensure they are straight and properly positioned.

Usage Instructions

- When aiming, focus on the front sight while keeping the rear sight and target in your peripheral vision.
- Practice shooting in varying light conditions to become familiar with the sight's performance.
- Regularly clean your sights to maintain visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and firearm accessories.
- Do not dispose of the product in household waste. Check for designated disposal sites in your area.

Contact Information for Further Support

For any inquiries or support regarding the R3D 2.0 Night Sights, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.
