

DI BUILDERS KIT WITH SOLID .750" GAS BLOCK - DI BUILDERS KIT WITH SOLID .750" GAS BLACK CARBINE RH

DIRECT IMPINGEMENT BUILDERS KIT for the AR-15 Superlative Arms has put together a kit to make it easier for the end-user to get everything they need for the operating system of their AR-15. In this kit you will get a Superlative Arms adjustable gas block with their Patented Bleed Off® Mode and Patented Exterior Locking Detent for the adjustment screw, completed with a pre-installed 304 Stainless Steel gas tube in Melonite (for greater heat and corrosion resistance), and the new Superlative Arms direct impingement DLC (Diamond-like Coating) bolt carrier (bolt, cam pin, firing pin, and firing pin retainer NOT INCLUDED). The Superlative Arms bolt carrier is compatible with all AR-15 bolts and this kit gives the end-user the freedom to choose their own bolt to match their preferred cartridge. The Superlative Arms direct impingement bolt carrier is made from 8620 steel featuring a chrome lined bore (as per mil spec) with enhanced machining and a superior DLC coating; offering greater lubricity, less friction, and easier cleaning. To top off the carrier, we mounted a DLC gas key using OCKS (Optimized Carrier Key Screws) by Ned Christiansen resulting in the best possible staking and screw retention. Note: The DLC color, tint, and tone will vary from lot to lot, can and will be slightly different than photos. Superlative Arms manufactures all gas blocks and carriers in-house to meet or exceed mil-spec.

Please note that this kit is currently for the AR-15 platform only The Superlative Arms Patented Bleed Off Mode, direct impingement, gas block for the AR-15 platform adjusts the gas flow by bleeding the gas out the front of the block instead of restricting the flow like conventional adjustable blocks. RESULTS: The pressure used in the block is reduced only to the amount required to drive the bolt carrier. The remaining gas and pressure are bled out of the block allowing the system to run much cleaner and cooler. Reduction of wear on the bolt carrier group components and upper receiver. Reduction of felt recoil allowing for faster follow-up shots. Patented adjustment detent is located outside of the block and therefore no contamination. In Bleed Off Mode the gas adjustment screw does not restrict the gas flow; therefore, there is no erosion or seizing of the screw, and no loss of detent due to carbon build up. Although it is removable, we have added a safety mechanism, which stops you from unintentionally backing the screw all the way out. When using SBR's and/or suppressors the Bleed Off port allows the excessive pressure to be exhausted out of the block reducing blow back.

SPECIFICATIONS: Gas Block Size: .750 Gas Block Style: Solid, Screw Set Gas Block Material: Stainless Steel Gas Block Finish: Black Melonite Carrier Type: Full-Auto, AR-15 Carrier Finish: Dark DLC Gas System Length: Pistol Direct Impingement: DI Builders Kit

Attributes

- Name: DI BUILDERS KIT WITH SOLID .750" GAS BLACK CARBINE RH
- Manufacturer: SUPERLATIVE ARMS LLC
- Product no.: 430109808
- Mfr. No.: SABO-DI-RFD-CM7
- Inside Diameter: .750
- Make: AR-15
- Material: Steel
- Style: Screw
- Delivery weight: 0.907kg
- Shipping height: 57mm
- Shipping width: 83mm
- Shipping length: 413mm
- UPC: 850051342037

Sicherheitshinweise zum DI Builders Kit mit Solid .750" Gas Block

Einführung

Herzlichen Glückwunsch zu Ihrem Kauf des DI Builders Kit mit Solid .750" Gas Block von Superlative Arms LLC. Dieses Produkt wurde entwickelt, um die Leistung Ihres AR15 zu verbessern. Um sicherzustellen, dass Sie das Kit sicher und effektiv nutzen, beachten Sie bitte die folgenden Sicherheitshinweise und Anweisungen.

Allgemeine Sicherheitsrichtlinien

- Verwende das Produkt nur für den vorgesehenen Zweck.
- Halte das Kit außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfe das Produkt regelmäßig auf Beschädigungen oder Abnutzungserscheinungen.
- Verwende das Kit nicht, wenn du Anzeichen von Beschädigung oder Fehlfunktion feststellst.
- Trage bei der Installation und Nutzung geeignete Schutzausrüstung, einschließlich Schutzbrille und Handschuhe.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Achte darauf, dass das Gasblock korrekt installiert ist, um Undichtigkeiten und Fehlfunktionen zu vermeiden.
- Stelle sicher, dass der Gasfluss ordnungsgemäß eingestellt ist, um eine Überbeanspruchung des Verschlusses zu vermeiden.
- Verwende nur kompatible Komponenten, um die Sicherheit und Funktionalität zu gewährleisten.
- Bei der Verwendung von SBRs (Short Barrel Rifles) und/oder Schalldämpfern, achte darauf, dass der Bleed Off-Anschluss korrekt funktioniert, um übermäßigen Druck abzuleiten.
- Halte dich an alle lokalen Gesetze und Vorschriften bezüglich des Besitzes und der Verwendung von Feuerwaffen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung

- Stelle sicher, dass du alle benötigten Werkzeuge und Materialien bereit hast.
- Lies die Bedienungsanleitung sorgfältig durch, bevor du mit der Installation beginnst.

2. Installation des Gasblocks

- Entferne den alten Gasblock, falls vorhanden.
- Setze den neuen Gasblock an der vorgesehenen Stelle ein.
- Stelle sicher, dass der Gasblock sicher und fest sitzt.
- Montiere das vorinstallierte Gasrohr aus 304 Edelstahl.

3. Einstellung des Gasblocks

- Verwende den patentierten Justierstift, um den Gasfluss einzustellen.
- Achte darauf, dass der Justierstift nicht kontaminiert ist.
- Teste den Gasblock nach der Installation, um sicherzustellen, dass er ordnungsgemäß funktioniert.

4. Inbetriebnahme

- Führe einen Funktionstest durch, um sicherzustellen, dass das System korrekt arbeitet.
- Überwache das System auf Anzeichen von Überhitzung oder Fehlfunktionen.

5. Wartung

- Reinige den Gasblock regelmäßig, um eine optimale Leistung zu gewährleisten.
- Überprüfe die Einstellung des Gasblocks nach jeder Benutzung.

Entsorgungsanweisungen

- Entsorge das Produkt und alle Verpackungsmaterialien gemäß den örtlichen Vorschriften für die Entsorgung von Metall und Kunststoff.
- Achte darauf, dass alle Teile des Kits sicher entsorgt werden, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Fragen oder Problemen Unterstützung erhältst.

Bitte beachte, dass diese Sicherheitshinweise nicht alle möglichen Risiken abdecken. Du bist verantwortlich für die sichere Verwendung des Produkts und die Einhaltung aller geltenden Gesetze und Vorschriften.

Safety Instruction Guide for DI Builders Kit with Solid .750" Gas Block

Introduction

Thank you for choosing the DI Builders Kit with Solid .750" Gas Block. This product is designed to enhance your AR15 experience by providing a reliable and adjustable gas system. To ensure your safety and the optimal performance of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU regulations. Always follow the guidelines to minimize risks.
- **Enhanced Recalls:** In the event of a recall, you will be informed through standardized notices. Ensure you take advantage of any remedies offered for dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions are necessary for vulnerable groups, including children. Keep all components out of reach of children.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EUbased contact.
- **Rapid Alerts:** Stay updated on product safety through the EU Safety Gate platform. Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the product, read all instructions and safety guidelines thoroughly.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, during installation and usage.
- **Check Compatibility:** Ensure that the gas block is compatible with your specific AR15 configuration before installation.
- **Inspect Before Use:** Regularly inspect the gas block and other components for signs of wear or damage. Do not use damaged parts.
- **Avoid OverTightening:** When installing the gas block, avoid overtightening screws, which can cause damage to the components.
- **Be Cautious with Gas Flow:** Understand the gas flow adjustments and ensure they are set correctly before firing to avoid malfunctions.
- **Use in a Safe Environment:** Always use this product in a controlled and safe environment, away from unauthorized individuals.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a torque wrench, Allen keys, and any other required tools.
2. **Prepare the Firearm:** Ensure the AR15 is unloaded and in a safe condition before beginning installation.
3. **Remove Existing Gas Block:** If applicable, carefully remove the existing gas block from your AR15.
4. **Install the New Gas Block:**
 - Position the new gas block onto the barrel.
 - Align the gas tube with the receiver and ensure it fits securely.
 - Use the provided screws to secure the gas block in place. Ensure not to overtighten.
5. **Adjust the Gas Flow:**
 - Use the adjustment screw to set the desired gas flow as per your requirements.
 - Refer to the product manual for specific adjustment settings based on your firearm's configuration.
6. **Final Inspection:** After installation, inspect all connections and ensure everything is secure before using the firearm.

Usage Instructions

- **Firing the Weapon:** When firing, monitor the performance of the gas block. Adjust the gas flow if necessary to ensure optimal operation.
- **Regular Maintenance:** Clean the gas block and surrounding areas regularly to prevent carbon buildup and ensure smooth operation.
- **Monitor Performance:** Be aware of any changes in recoil or cycling of the firearm. Adjust the gas flow as needed for optimal performance.

Disposal Instructions

- **Environmental Responsibility:** Dispose of any packaging materials in accordance with local recycling regulations.
- **Component Disposal:** If you need to dispose of the gas block or any components, follow local regulations for hazardous waste disposal. Ensure that no part of the product is left in a condition that could pose a safety risk to others.

Contact Information for Further Support

For any questions or concerns regarding the DI Builders Kit with Solid .750" Gas Block, please refer to the manufacturer's contact details provided in the product documentation or on their official website. Always ensure you have access to support for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and effective experience with your DI Builders Kit. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.

Istruzioni di Sicurezza per l'Utilizzo del DI Builders Kit con Blocco Gas Solido .750"

Introduzione

Grazie per aver scelto il DI Builders Kit con Blocco Gas Solido .750" di Superlative Arms LLC. Questo kit è progettato per migliorare le prestazioni del tuo AR15 e garantire un funzionamento sicuro e affidabile. È importante seguire attentamente le istruzioni di sicurezza e utilizzo per garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Utilizza sempre occhiali protettivi e protezioni per le orecchie durante l'installazione e l'uso.
- Mantieni il kit e i suoi componenti lontani dalla portata dei bambini e di altre persone vulnerabili.
- Verifica che il tuo AR15 sia compatibile con il kit prima dell'installazione.
- Non utilizzare il kit se noti segni di danno o usura sui componenti.
- Segnala eventuali incidenti o prodotti non sicuri alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Non tentare di modificare o alterare il kit in alcun modo.
- Segui scrupolosamente le istruzioni per l'installazione per evitare malfunzionamenti.
- Non utilizzare il kit con munizioni non conformi o di qualità scadente.
- Durante l'uso, assicurati che l'arma sia sempre puntata in direzione sicura.
- Non toccare mai il grilletto fino a quando non sei pronto a sparare.
- Dopo ogni utilizzo, controlla il kit e il tuo AR15 per eventuali segni di usura o danni.

Istruzioni per l'Installazione e l'Utilizzo

1. Preparazione:

- Assicurati di avere a disposizione tutti gli strumenti necessari per l'installazione.
- Lavora in un'area ben illuminata e priva di distrazioni.

2. Installazione del Blocco Gas:

- Rimuovi il vecchio blocco gas dal tuo AR15 seguendo le istruzioni del produttore.
- Posiziona il nuovo blocco gas solido .750" nel suo alloggiamento.
- Fissa il blocco gas utilizzando le viti fornite, assicurandoti che siano serrate correttamente.
- Controlla che non ci siano spazi o movimenti nel blocco gas.

3. Installazione del Carrier:

- Inserisci il carrier a impingement diretto nel tuo AR15 secondo le istruzioni del produttore.
- Assicurati che il carrier sia allineato correttamente e che funzioni senza ostacoli.

4. Test di Funzionamento:

- Effettua un test di funzionamento in un'area sicura.
- Controlla che il sistema funzioni correttamente e che non ci siano perdite di gas.

5. Manutenzione:

- Pulisci regolarmente il kit e il tuo AR15 per garantire prestazioni ottimali.
- Controlla periodicamente il blocco gas e il carrier per segni di usura o danni.

Istruzioni per il Dispositivo

- Smaltisci i componenti danneggiati o inutilizzati in modo responsabile, seguendo le normative locali sullo smaltimento dei rifiuti.
- Non gettare il kit o i suoi componenti nell'ambiente.

Informazioni per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, consultare il sito web ufficiale del produttore o contattare il punto di contatto europeo per domande relative alla sicurezza.

Säkerhetsinstruktioner för DI BUILDERS KIT MED SOLID .750" GASBLOCK

Introduktion

Tack för att du valt DI Builders Kit med Solid .750" Gasblock från Superlative Arms LLC. Denna produkt är designad för att förbättra prestanda och säkerhet i ditt AR15system. För att säkerställa en säker och effektiv användning av produkten, vänligen läs och följ dessa säkerhetsinstruktioner noggrant.

Allmänna säkerhetsriktlinjer

- Använd alltid produkten i enlighet med tillverkarens anvisningar.
- Kontrollera alltid att produkten är i gott skick innan användning.
- Håll produkten utom räckhåll för barn och andra sårbara grupper.
- Rapportera eventuella farliga produkter eller olyckor till myndigheterna.
- Håll dig informerad om återkallelser via EU:s Safety Gateplattform.

Specifika säkerhetsåtgärder för användning

- Använd alltid skyddsglasögon och hörselskydd vid installation och användning.
- Kontrollera att gasblocket är korrekt installerat för att undvika läckage.
- Undvik att justera gasflödet under skott; gör detta endast när vapnet är avstängt och säkert.
- Se till att inga föremål blockerar gasporten.
- Använd endast komponenter som är kompatibla med AR15systemet.

Instruktioner för installation och användning

1. Förberedelse:

- Se till att alla verktyg och komponenter är tillgängliga innan du börjar installationen.
- Rengör området där installationen ska ske.

2. Installation av gasblock:

- Ta bort det befintliga gasblocket om det finns något.
- Montera det nya gasblocket på plats och se till att det är ordentligt fäst.
- Använd den medföljande justeringsskruven för att ställa in gasflödet.
- Kontrollera att inga läckor finns genom att utföra en visuell inspektion.

3. Användning av gasblock:

- När du skjuter, var medveten om att gasflödet kan justeras för att optimera prestanda.
- Följ alltid säkerhetsprotokoll vid skjutning och hantering av vapen.

4. Underhåll:

- Rengör gasblocket regelbundet för att säkerställa optimal funktion.
- Inspektera gasblocket och dess komponenter för slitage och skador.

Avfallsinstruktioner

- Kassera förpackningsmaterial och eventuella oanvända delar på ett miljövänligt sätt.
- Följ lokala föreskrifter för avfallshantering av metallkomponenter.

Kontaktinformation för ytterligare stöd

För frågor eller support, vänligen kontakta tillverkaren eller återförsäljaren där produkten köptes. Se till att ha produktens modellnummer och inköpsinformation tillgänglig.

Genom att följa dessa säkerhetsinstruktioner kan du säkerställa en trygg och effektiv användning av DI Builders Kit med Solid .750" Gasblock. Tack för att du bidrar till en säker användning av produkter inom skytte och vapenhantering.
