# Safety Instruction Guide for "THE" SEATING DIE TYPE 1

## Introduction

Thank you for choosing "THE" Seating Die Type 1 from SHORT ACTION CUSTOMS, LLC. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the seating die.

## General Safety Guidelines

- Ensure that you understand the specifications and compatibility of the seating die with your cartridges.
- Always wear appropriate safety gear, including eye protection, when handling reloading equipment.
- Keep the seating die out of reach of children and vulnerable individuals.
- Regularly inspect the seating die for signs of wear or damage before each use.
- Do not use the seating die for any purpose other than its intended use.
- Follow all local laws and regulations regarding ammunition reloading and handling.

## Specific Safety Precautions for Use

- **Compatibility Check:** Verify that the die is compatible with the following cartridges:
  - 223 Remington Family
  - 204 Ruger
  - 300 AAC Blackout
  - 22 Hornet
  - 221 Remington Fireball
  - 222 Remington
  - 223 Ackley
  - 6 mm x 45
- **Handling:** Always handle the die with care to avoid injury. Ensure that your hands are dry and clean when handling the die.
- **Storage:** Store the seating die in a cool, dry place away from direct sunlight and moisture.
- **Cleaning:** Clean the die according to the manufacturer's instructions to maintain its functionality and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the seating die into the press according to the manufacturer's instructions.
- Tighten the die securely to avoid movement during operation.

### 2. Usage:

- Adjust the die according to the cartridge specifications for proper seating depth.
- Insert the bullet into the case mouth and place it under the die.
- Operate the press smoothly and steadily to seat the bullet.
- After use, remove the die from the press and clean it as per the cleaning instructions.

## **Disposal Instructions**

- Dispose of any damaged or wornout components of the seating die in accordance with local regulations.
- Do not dispose of the seating die in regular household waste. Instead, check for recycling programs or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For safety inquiries or additional support, please contact the manufacturer directly. Ensure that you provide relevant details regarding your product and any safety concerns.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with "THE" Seating Die Type 1. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention and enjoy using your new product responsibly.
