Safety Instruction Guide for "THE" Seating Die Type 4

Introduction

Thank you for choosing "THE" Seating Die Type 4 from SHORT ACTION CUSTOMS, LLC. This product is designed to provide precise seating for a variety of cartridges, including 308 Winchester, 22 Creedmoor, and more. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle all reloading equipment with care and follow the manufacturer's instructions.
- Keep the Seating Die out of reach of children and unauthorized users.
- Ensure that your workspace is clean, organized, and free from distractions when using the die.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.
- Regularly inspect the Seating Die for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the Seating Die can result in injury or damage to the die or ammunition.
 - Ensure that the die is compatible with the cartridges you are using.
- **Avoiding Hazards:**
 - Do not exceed the recommended specifications for the cartridges.
 - Never attempt to modify the Seating Die.
 - Always follow safe reloading practices, including using the correct powder and bullet type.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Always have adult supervision when younger individuals are present in the reloading area.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading press is securely mounted and stable.
 2. Insert the Seating Die into the press according to the manufacturer's instructions.
 3. Tighten the die securely but do not overtighten, which may damage the die or press.
- **Usage:**
 1. Prepare your cartridges and ensure they are clean and free from obstructions.
 2. Set the desired seating depth using the adjustment screw on the Seating Die.
 3. Place the bullet on the cartridge case and raise the ram of the press to seat the bullet.
 4. Inspect each cartridge after seating to ensure proper alignment and depth.
 5. Store the Seating Die in a dry, cool place when not in use.

Disposal Instructions

- Dispose of any damaged or unusable parts of the Seating Die in accordance with local regulations.
- Do not dispose of the Seating Die in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to your local distributor or the manufacturer directly. Ensure you have the product details available for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with "THE" Seating Die Type 4. Thank you for your attention to safety and for choosing our product.
