# Safety Instruction Guide for "THE" SEATING DIE TYPE 6

## Introduction

Thank you for choosing "THE" Seating Die Type 6 from SHORT ACTION CUSTOMS, LLC. This product is designed for precision bullet seating across various cartridge families, including the 300 Winchester Magnum and 6.5 PRC. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Seating Die by following all instructions. This product is designed for nonfood applications and should only be used as intended.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall is issued, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements. Always buy from reputable sources.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to avoid accidents.
- **EU Contact Point:** For any safety inquiries, please contact your local EU safety authority or consumer protection agency.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instruction manual before using the Seating Die.
- **Personal Protective Equipment:** Wear appropriate safety gear, including eye protection and gloves, when handling the Seating Die and ammunition components.
- **Work Environment:** Use the Seating Die in a wellventilated area, free from distractions and hazards.
- **Inspection:** Regularly inspect the Seating Die for any signs of damage or wear. Do not use the die if it is damaged.
- **Proper Handling:** Handle the Seating Die with care to prevent accidental injury. Ensure it is securely mounted before use.
- **Storage:** Store the Seating Die in a dry, cool place, away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is compatible with the Seating Die.
- Securely mount the Seating Die in the reloading press, following the manufacturer's instructions for your specific press model.
- Adjust the die to the desired seating depth according to the cartridge specifications.

### 2. Usage:

- Prepare your cartridges and ensure they are clean and free from debris.
- Insert a bullet into the case mouth and place the cartridge in the Seating Die.
- Operate the reloading press to seat the bullet to the desired depth.
- Inspect the seated bullet for proper alignment and depth before proceeding with further reloading steps.

### 3. PostUsage:

- Clean the Seating Die after each use to remove any residue or debris.
- Store the die in its protective case to prevent damage.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the Seating Die is no longer usable, check for local recycling programs that accept metal products.
- Do not discard the Seating Die in regular household waste.

## **Contact Information for Further Support**

For any questions, concerns, or further support regarding "THE" Seating Die Type 6, please refer to your local consumer protection agency or the retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safe and effective reloading experience with "THE" Seating Die Type 6. Thank you for your attention to safety and for choosing SHORT ACTION CUSTOMS, LLC.
