# Safety Instruction Guide for SAC Modular Funnel 1.250 Extension

## Introduction

Thank you for choosing the SAC Modular Funnel 1.250 Extension. This product is designed to enhance your reloading experience by providing a reliable and durable extension. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Stay informed about recall updates and safety notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the extension only with compatible Modular Funnels from Short Action Customs.
- Do not exceed the recommended length when connecting multiple extensions.
- Ensure that all connections are secure before using the product.
- Avoid using the product in wet or damp conditions to prevent slips and accidents.
- If you notice any unusual wear or failure of the product, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the Modular Funnel from its packaging and inspect for any damage.
- Align the male end of the extension with the female end of the Modular Funnel.
- Firmly press the two components together until they click into place.
- If using multiple extensions, repeat the process for each additional extension, ensuring that they are securely connected.

### 2. Usage:

- Once installed, place the Modular Funnel extension over the desired container for reloading.
- Pour the powder or material into the funnel slowly to avoid spills.
- After use, carefully detach the extension by pressing the release tabs to disconnect the components.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste; check for recycling options available in your area.
- If the product is damaged beyond repair, ensure that it is discarded safely to avoid potential hazards.

## Contact Information for Further Support

For any questions or concerns regarding the SAC Modular Funnel 1.250 Extension, please refer to the official website or contact the manufacturer directly for assistance.

Thank you for your attention to safety and for choosing the SAC Modular Funnel 1.250 Extension. Enjoy your reloading experience!
