# Safety Instruction Guide for INFINITY APS Die Inserts

## Introduction

Thank you for choosing the INFINITY APS Die Inserts from SHORT ACTION CUSTOMS, LLC. This product is designed to enhance your reloading experience, providing you with the versatility and precision needed for a wide range of cartridges. To ensure your safety and the optimal performance of this product, please read this guide carefully and follow all instructions.

## General Safety Guidelines

- Always use the INFINITY APS Die Inserts in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free from any obstructions before starting your reloading process.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect yourself from potential hazards.
- Store the die inserts in a dry and secure location, away from children and pets.
- Regularly inspect the die inserts for any signs of wear or damage before each use.
- Do not modify the die inserts in any way, as this may compromise safety and performance.
- Be aware of the specific cartridge families compatible with the die inserts to avoid using them with incompatible cartridges.

## Specific Safety Precautions for Use

- Ensure that the Arbor Press being used is compatible with the INFINITY APS Die Inserts.
- Always check that the cartridge is properly aligned with the die before applying pressure.
- Do not exceed the recommended pressure limits when seating bullets to prevent accidents or damage to the die inserts.
- Keep fingers and hands clear of the die during operation to avoid injury.
- If you experience any unusual resistance during operation, stop immediately and inspect the die and cartridge for issues.
- Follow proper reloading practices, including using the correct components and adhering to load specifications.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the INFINITY APS Die Inserts, Arbor Press, cartridges, and bullet seating stems.
- Ensure your workspace is organized and free from distractions.

### 2. Installation:

- Select the appropriate Cartridge Base Insert that corresponds to the cartridge family you are using.
- Insert the selected Cartridge Base Insert into the die body securely.
- Attach the die to the Arbor Press following the manufacturer's instructions, ensuring it is firmly in place.

### 3. Usage:

- Choose the correct bullet seating stem based on the type of bullet you are using.
- Insert the bullet into the cartridge case and place it in the die.

- Apply even pressure using the Arbor Press to seat the bullet. Monitor the process to ensure proper alignment and avoid excessive force.
- After seating, remove the cartridge and inspect the bullet seating depth for accuracy.

#### **4. PostUsage:**

- Clean the die inserts after each use to remove any debris or residue.
- Store the die inserts and components in their designated storage to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn die inserts according to local regulations for hazardous waste.
- Do not throw die inserts in regular trash; check with local authorities for proper disposal methods.
- Ensure that all unused or expired components are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the INFINITY APS Die Inserts, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safe and efficient reloading experience with the INFINITY APS Die Inserts. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important guidelines.
