INFINITY APS Die Inserts Safety Instruction Guide

Introduction

Thank you for choosing the INFINITY APS Die Inserts by SHORT ACTION CUSTOMS, LLC. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your die inserts. Please read this manual carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a bullet seating die for reloading cartridges.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while handling ammunition and reloading equipment.
- Keep the die inserts out of reach of children and unauthorized users.
- Inspect the die inserts and all related equipment for damage before use. Do not use damaged equipment.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the die inserts with compatible cartridge families as specified:
 - Type 1 – 223 Remington Based Cartridges
 - Type 2 – Valkyrie Based Cartridges
 - Type 3 – PPC, Grendel, SPC Based Cartridges
 - Type 4 – Short Action 308 Winchester & Creedmoor Based Cartridges
 - Type 4 XL – Long Action 308 Win & 3006 Based Cartridges
 - Type 5 – 284 Winchester Based Cartridges
 - Type 6 – Short Action PRC Based Cartridges
 - Type 6 XL – Long Action PRC, Belted & Weatherby Magnum Based Cartridges
 - Type 7 – SAUM Based Cartridges
 - Type 7 XL – Nosler and RUM Based Cartridges
 - Type 8 – WSM Based Cartridges
 - Type 9 – Lapua and Norma Magnum based Cartridges
- Ensure that the Arbor style press is in good working condition before use.
- Follow all manufacturer instructions for the Arbor press and die inserts.
- Do not force the die inserts into the Arbor press; they should fit securely without excessive force.
- Always keep your hands and body clear of the die inserts and press during operation to avoid injury.
- Use the appropriate bullet seating stems for the bullet type being used.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including the Arbor press, die inserts, bullet seating stems, and cartridges.
- Ensure your workspace is clean and free of any obstructions.

2. Installation:

- Select the appropriate Cartridge Base Insert for your specific cartridge type.
- Insert the chosen Cartridge Base Insert into the Arbor press according to the manufacturer's instructions.
- Attach the desired bullet seating stem to the die insert securely.

3. Usage:

- Place the cartridge in the Cartridge Base Insert.
- Align the bullet above the cartridge case.
- Operate the Arbor press smoothly and steadily to seat the bullet into the cartridge case.
- Inspect the finished cartridge for proper bullet seating and any signs of damage.

4. PostUse:

- Clean the die inserts and Arbor press after use to ensure longevity and performance.
- Store the die inserts in a safe place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any unused or damaged die inserts in accordance with local regulations for electronic and mechanical waste.
- Do not dispose of ammunition or components in regular household waste. Follow local guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the INFINITY APS Die Inserts, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product information ready for quicker resolution of your inquiries.

By following these safety guidelines and instructions, you can ensure a safe and efficient reloading experience with the INFINITY APS Die Inserts. Thank you for your attention to safety and for choosing our product.
