

# WEAPONS CARE SYSTEM PELLETS - 45 CALIBER SUPER INTENSIVE PELLETS 30/BAG

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

## Absorbent Felt Pellets Quickly Scrub Barrels Clean

Innovative and efficient system cleans rifle and handgun barrels with a minimum of effort and mess. Slip two felt pellets on the cleaning rod adapter, apply your favorite solvent and push through the bore to rapidly scrub out dirt and fouling. Pellets fit snugly to easily follow the rifling for fast, efficient cleaning; as you withdraw the rod, the front pellet falls off while the rear pellet polishes the bore. Lets you apply oil, cleaning solvents, J-B® Bore Cleaner or Moly Bore Paste easily with minimal mess. Plain pellets are made from a highly absorbent, hardened felt; Super Intensive pellets also have interwoven brass fibers for even greater scrubbing action to quickly clean heavily fouled barrels. All require cleaning rod adapter.

# Safety Instruction Guide for Weapons Care System Pellets 45 Caliber Super Intensive Pellets

## Introduction

Thank you for choosing the Weapons Care System Pellets 45 Caliber Super Intensive Pellets. This product is designed to provide an innovative and efficient cleaning solution for rifle and handgun barrels. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the cleaning area is wellventilated.
- Keep the product out of reach of children and pets.
- Use only as directed and for its intended purpose.
- Avoid contact with eyes and skin; if contact occurs, rinse thoroughly with water.
- Do not ingest any part of the product.
- Dispose of used pellets and solvents in accordance with local regulations.

## Specific Safety Precautions for Use

- Ensure that firearms are unloaded before using the cleaning pellets.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling solvents.
- Do not use the product near open flames or heat sources.
- Always follow the solvent manufacturer's safety instructions.
- Inspect the cleaning rod adapter and pellets for any damage before use. Do not use damaged components.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather your cleaning materials, including the cleaning rod, adapter, and your preferred solvent.

### 2. Attaching the Pellets

- Slip two felt pellets onto the cleaning rod adapter.
- Ensure the pellets fit snugly for optimal cleaning performance.

### 3. Applying Solvent

- Apply your chosen solvent to the pellets. This can include oil, cleaning solvents, JB® Bore Cleaner, or Moly Bore Paste.

### 4. Cleaning the Bore

- Insert the cleaning rod with the attached pellets into the bore.
- Push the rod through the bore to scrub out dirt and fouling efficiently.
- As you withdraw the rod, the front pellet will fall off, while the rear pellet continues to polish the bore.

### 5. PostCleaning

- After cleaning, dispose of the used pellets according to local disposal regulations.
- Clean the cleaning rod and adapter with a suitable solvent to maintain their condition.

## Disposal Instructions

- Dispose of used pellets and any cleaning solvents in accordance with local waste disposal regulations.
- Do not dispose of in regular household waste. Check for recycling options or hazardous waste collection sites in your area.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please contact the manufacturer or your local distributor. Ensure you have the product details ready for reference.

By following these guidelines and instructions, you can ensure a safe and effective cleaning experience with the Weapons Care System Pellets 45 Caliber Super Intensive Pellets. Thank you for prioritizing safety and proper use.
