# CLASSIC TRITIUM SIGHT SET FOR GLOCK® 42, 43, 43X, 48 SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the AMERIGLO® Classic Tritium Sight Set for your Glock® 42, 43, 43X, or 48. This guide provides essential safety instructions to ensure the proper use and maintenance of your sight set, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is suitable for your specific model of Glock® before installation.
- Always handle your firearm safely and responsibly, following all local laws and regulations.
- Inspect the sight set for any visible damage before use. Do not use if damaged.
- Keep the sight set out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The tritium lamps are designed for visibility in lowlight conditions. However, they may fade over time. Regularly check the brightness of the tritium lamps.
- Do not attempt to disassemble or modify the sight set, as this may compromise safety and functionality.
- Use only compatible Glock® models (42, 43, 43X, 48) to avoid potential hazards.
- Ensure that the sights are properly secured before using your firearm.
- Avoid exposure to extreme temperatures, moisture, and direct sunlight to maintain the integrity of the sight set.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from your Glock® using appropriate tools.
- Align the front sight with the slide and secure it in place. The front sight should fit snugly into the designated slot.
- Attach the rear sight by aligning it with the rear notch of the slide. Ensure it is centered and secure.
- Check for proper alignment and adjust if necessary.

### 2. Usage:

- Familiarize yourself with the sight picture before using your firearm in a live setting.
- Regularly practice with the sight set to ensure comfort and familiarity.
- Always clean the sight set according to the manufacturer's recommendations to maintain visibility and functionality.

## Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the sight set in regular household waste.
- If the tritium lamps are damaged or broken, handle with care and follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please reach out to the manufacturer's customer service or refer to the product packaging for additional support resources.

By following these guidelines, you can ensure the safe and effective use of your AMERIGLO® Classic Tritium Sight Set. Thank you for prioritizing safety and responsible firearm ownership.
