

ROCK CRUSHER PRESS ROLLER HANDLE FOR RCBS - LYMAN ROLLER HANDLE FOR RCBS ROCK CRUSHER PRESS

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

Greater comfort equals greater production! Increase your reloading comfort and production with the addition of our Roller Press Handle. The handle features a smooth operation aluminum roller grip which keeps your hand in the same position throughout the press stroke, greatly increasing operation comfort. The steel handle is shaped to fit closely to the press frame for improved ergonomics. The handle installs easily, the same as the OEM handle. Available for the following presses: Lyman All-American 8 turret, Lyman Victory, RCBS Rockchucker, and RCBS Rockchucker Supreme.

ROCK CRUSHER PRESS ROLLER HANDLE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ROCK CRUSHER PRESS ROLLER HANDLE for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use to maximize your safety and the product's performance.

General Safety Guidelines

- Always ensure that the workspace is clean and free from clutter before operating the reloading press.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Roller Handle and press for any signs of wear or damage before each use.
- Use only the Roller Handle with compatible presses as specified in the product description.
- Follow all manufacturer instructions regarding the use of the reloading press and Roller Handle.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Roller Handle is securely attached to the press before use to prevent accidents.
- Use the Roller Handle with both hands to maintain control during operation.
- Do not exceed the recommended force when operating the press to avoid damaging the equipment or causing injury.
- Wear safety glasses to protect your eyes from debris during the reloading process.
- Do not operate the press while under the influence of drugs or alcohol.
- If you experience any discomfort or pain while using the Roller Handle, stop using it immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. **Unpack the Roller Handle:** Carefully remove the Roller Handle from its packaging.
2. **Check Compatibility:** Ensure that your press model is compatible with the Roller Handle (Lyman AllAmerican 8 turret, Lyman Victory, RCBS Rockchucker, and RCBS Rockchucker Supreme).
3. **Remove the OEM Handle:** If applicable, remove the original handle from your press according to the manufacturer's instructions.
4. **Attach the Roller Handle:**
 - Align the Roller Handle with the mounting point on the press.
 - Insert the handle securely into the mounting point.
 - Ensure that it fits snugly and does not wobble.
5. **Test the Installation:** Gently move the Roller Handle to ensure smooth operation before proceeding with reloading.

Usage

1. **Position Yourself:** Stand comfortably with your feet shoulderwidth apart and ensure that you have a stable stance.
2. **Grip the Handle:** Use both hands to grip the aluminum roller grip firmly.
3. **Press Operation:** Pull down on the Roller Handle smoothly and steadily to operate the press.
4. **Monitor for Issues:** Pay attention to any unusual sounds or resistance during operation; if detected, stop immediately and inspect the equipment.

Disposal Instructions

- Dispose of the Roller Handle and any packaging materials in accordance with local regulations.
- Do not throw the product in regular household waste. Check for designated recycling centers for metal and plastic materials.
- Ensure that all parts are disposed of safely to prevent any potential hazards to the environment.

Contact Information for Further Support

For any inquiries or support regarding the ROCK CRUSHER PRESS ROLLER HANDLE, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for prioritizing safety in your reloading activities!
