EXTENDED SLIDE RELEASE FOR SPRINGFIELD HELLCAT - GOLD**

EXTENDED SLIDE RELEASE FOR SPRINGFIELD ARMORY HELLCAT Unlock the full potential of your Hellcat series firearm with Tyrant CNC's Springfield Hellcat Extended Slide Release. Engineered for precision, durability, and ease of use, this Springfield Armory slide release is a must-have upgrade for every Springfield Hellcat series owner. No more struggling with a super stiff AND small slide release button. Enjoy the increased surface area of the Tyrant CNC Extended Slide Release all while maintaining holster compatibility with all the popular brands! Whether you're a competitive shooter, law enforcement officer, or a firearms enthusiast, this Extended Slide Release for the Springfield Hellcat series offers unmatched functionality and aesthetic appeal, aligning perfectly with your Springfield Hellcat parts and accessories collection. Premium Quality Material Crafted from high-grade stainless steel through the advanced process of metal injection molding, our extended slide release stands out in both strength and reliability. The stainless steel construction ensures a robust and lasting build, capable of withstanding the most challenging conditions. Each slide release is bead blasted, adding to its resilience and providing a sleek, matte finish that complements the firearm's design. Exceptional Durability with PVD Coating To further enhance its endurance and resistance to wear, the Tyrant CNC Extended Slide Release is treated with a premium PVD (Physical Vapor Deposition) coating. This state-of-the-art coating process not only gives the slide release an extra layer of protection against corrosion and abrasion but also offers an option to personalize your firearm with a choice of black or gold finishes. The heat-treated surface is meticulously crafted to endure hard use, ensuring that the slide release maintains its integrity and functionality over time. Laser Welded for Superior Strength The button surface area of the slide release is 1.5x more material than the OEM Release. The button is machined separately then laser welded, creating an incredibly strong bond that surpasses the firearm's life limit. This laser welding technique ensures that the Tyrant CNC Hellcat slide release will remain firmly intact, providing a consistent and reliable performance throughout the lifespan of your Springfield Hellcat or Hellcat Pro. Ergonomic Design for Enhanced Usability Understanding the importance of quick and efficient operation, the Tyrant CNC Extended Slide Release is ergonomically designed to provide a more substantial surface area for easy engagement. This extended design is particularly beneficial in high-stress situations, allowing for swift and effortless slide manipulation. There should be no interference with most popular holsters on the market today as the slide release's contour and size are optimized to prevent accidental engagement while ensuring accessibility when needed, making it an ideal choice for both tactical and everyday use. Seamless Integration with Hellcat Aesthetics In line with Tyrant CNC's commitment to excellence, this extended slide release is not just functional but also aesthetically pleasing. Its design harmonizes with the overall look of the Springfield Armory Hellcat series line, enhancing the firearm's appearance while maintaining its sleek profile. Whether you choose the classic black or the striking gold finish, the slide release adds a touch of sophistication to your firearm. Easy Installation and Compatibility Installation of the Tyrant CNC Extended Slide Release is straightforward, allowing for a quick and hassle-free upgrade. Compatible with both the Springfield Armory Hellcat models, this slide release is a versatile addition to your firearm, improving its functionality without any permanent modifications. Ideal for Various Applications Whether you're engaged in competitive shooting, personal defense, or law enforcement activities, the Tyrant CNC Extended Slide Release for the Springfield Hellcat and Hellcat Pro is an indispensable accessory. Its robust build, enhanced usability, and sleek design make it a top choice for those seeking to upgrade their firearm with high-quality Springfield Hellcat parts and accessories. **SPECIFICATIONS:** Platform: Springfield Armory Designed For Models: Hellcat, Hellcat Pro Fitment Notes: Fits on most Hellcat series pistols (standard, Pro, RDP, OSP).
