Introduction

Thank you for choosing the MRPL QUAD 5.56MM Assembled Upper Receiver by LMT Defense. This product is designed for performance and reliability. However, it is important to follow safety guidelines to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). This guide provides essential safety information, installation instructions, and disposal guidelines.

General Safety Guidelines

- Always handle the upper receiver with care and ensure it is unloaded before any handling or installation.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm components and usage.
- Use only compatible components as specified by the manufacturer.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the installation of the upper receiver is performed by a qualified individual or gunsmith.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using the upper receiver.
- Familiarize yourself with the operation of the upper receiver and practice safe handling techniques.
- Use only the recommended ammunition types: .204 Ru, .300 BLK, 5.56×45, and 6.8 SPC.
- Avoid using the product in wet or damp conditions to prevent corrosion or malfunction.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing upper receiver from the lower receiver by following the manufacturer's instructions.
- Align the MRPL QUAD 5.56MM upper receiver with the lower receiver.
- Insert the proprietary locking bolts from the right side of the receiver.
- Use a standard T30 Torx bit to tighten the bolts securely.

2. Usage:

- Check that the barrel assembly is correctly installed and secured.
- Confirm that the gas block and gas tube are properly aligned.
- Load the firearm only when ready to fire and in a safe environment.
- Always follow the manufacturer's guidelines for firing and maintenance.
- After use, clean the upper receiver according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the upper receiver in accordance with local regulations regarding firearm parts.
- Do not dispose of the product in regular waste. Contact local authorities for proper disposal methods.
- Ensure that any unused or damaged parts are rendered inoperable before disposal.
