

# DESIGNATED MARKSMAN RIFLE (DMR) BUTTSTOCK - LMT DEFENSE DESIGNATED MARKSMAN RIFLE (DMR) 5.56X45 NATO BUTTSTOCK BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

DESIGNATED MARKSMAN RIFLE (DMR) BUTTSTOCK Designated Marksman Rifle buttstock. Designed for 5.56 caliber rifles with carbine extension tubes. The DMR stock has comb height and length of pull adjustments for fine tuning of the shooter experience. Shooters looking for a simple tool-less upgrade to their long range rifles love this stock. There are many rifle stocks on the market, but none like this. No change of buffer tube required, will replace any collapsible 6 position mil-spec stock.

# DESIGNATED MARKSMAN RIFLE (DMR) BUTTSTOCK SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DESIGNATED MARKSMAN RIFLE (DMR) BUTTSTOCK by LMT DEFENSE. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the rifle and buttstock securely when not in use.
- Regularly inspect the buttstock for any signs of damage or wear.
- Ensure that all accessories and components are compatible with your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearms.

## Specific Safety Precautions for Use

- Do not use the buttstock if it shows any signs of damage, such as cracks or excessive wear.
- Ensure that your rifle is unloaded before installing or adjusting the buttstock.
- Make all adjustments to the buttstock in a safe environment, away from the shooting area.
- Only use the buttstock with compatible 5.56 caliber rifles and milspec buffer tubes.
- Be cautious when adjusting the comb height and length of pull to avoid pinching fingers.
- Keep the buttstock free of dirt and debris to ensure proper function.
- Do not attempt to modify the buttstock in any way.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Verify that the rifle is unloaded and pointed in a safe direction.
2. **Remove Old Stock:** If applicable, remove the existing buttstock from the rifle by loosening the retaining screw.
3. **Attach DMR Buttstock:** Slide the DMR buttstock onto the buffer tube until it is fully seated.
4. **Secure:** Tighten the retaining screw to secure the buttstock in place.
5. **Adjustments:**
  - To adjust the comb height, loosen the adjustment lever, set the desired height, and tighten the lever.
  - To adjust the length of pull, push the adjustment button, slide to the desired length, and release the button to lock in place.

### Usage

- Always ensure your rifle is in a safe condition before handling.
- Familiarize yourself with the adjustments and features of the DMR buttstock before use.
- Practice safe handling and shooting techniques at all times.
- Regularly check the fit and function of the buttstock during use.

## **Disposal Instructions**

- Dispose of the buttstock in accordance with local regulations.
- If the product is damaged or no longer usable, do not attempt to repair it. Instead, follow your local waste disposal guidelines for proper disposal of polymer materials.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the DESIGNATED MARKSMAN RIFLE (DMR) BUTTSTOCK, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these safety instructions and guidelines, you can ensure a safe and enjoyable shooting experience with your DESIGNATED MARKSMAN RIFLE (DMR) BUTTSTOCK. Thank you for your attention to safety.
