# LMT 5.56MM LOWER PARTS KIT Safety Instruction Guide

## Introduction

Thank you for choosing the LMT 5.56MM Lower Parts Kit. This kit is designed to enhance your firearm assembly while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to ensure safe usage and installation.

## General Safety Guidelines

- Always handle firearms and firearm components with care.
- Keep this product out of reach of children and unauthorized individuals.
- Wear appropriate safety gear, including eye and ear protection, when handling or installing firearm parts.
- Ensure you are in a safe and controlled environment when using this kit.
- Regularly check for any recalls or safety updates related to this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Verify that all components are present and undamaged before installation.
- Do not attempt to modify any parts of the kit, as this may compromise safety and functionality.
- Ensure that your firearm is unloaded and pointed in a safe direction before beginning installation.
- Follow all local laws and regulations regarding the assembly and use of firearms.
- If you are unfamiliar with firearm assembly, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a punch set and a hammer.
- Ensure you have a clean, welllit workspace.

### 2. Installation Steps

- **Trigger Guard Assembly**
  - Align the trigger guard with the lower receiver and secure it with the appropriate pins.
- **Magazine Catch Assembly**
  - Insert the magazine catch into the receiver and secure it with the spring and button.
- **Bolt Catch Assembly**
  - Position the bolt catch in the designated area and secure it with the provided pin.
- **Pivot/Takedown Pin Assemblies**
  - Insert the pivot and takedown pins into the receiver, ensuring they are properly seated.
- **Buffer Retaining Pin/Spring**
  - Install the buffer retaining pin and spring in the specified location.
- **Selector Assembly**
  - Install the ambidextrous selector assembly according to the provided instructions.
- **Trigger Group Installation (If Included)**
  - Carefully install the LMT AXLE® TwoStage trigger group, ensuring all components are properly aligned.

### 3. Final Checks

- After installation, conduct a thorough inspection of all components to ensure they are secure.
- Test the functionality of the trigger and safety selector before use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If any components are damaged or no longer usable, dispose of them responsibly to prevent environmental harm.

## Contact Information for Further Support

For any inquiries or support related to your LMT 5.56MM Lower Parts Kit, please refer to the contact information provided with your purchase. Ensure you have the product details on hand for efficient assistance.

By following these guidelines, you ensure not only your safety but also the proper functioning of your LMT 5.56MM Lower Parts Kit. Always prioritize safety and compliance with local regulations during assembly and usage. Thank you for your attention to these important safety instructions.
