# LMT .308 Lower Parts Kit Safety Instruction Guide

## Introduction

Thank you for choosing the LMT .308 Lower Parts Kit with Trigger Group. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this guide carefully before use to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the kit with care and follow all safety precautions.
- Keep the kit out of reach of children and unauthorized users.
- Regularly inspect all components for wear and damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling the parts.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Be aware of potential pinch points during assembly and disassembly.
- Do not modify the parts in any way, as this could compromise safety and functionality.
- Follow all local laws and regulations regarding firearm assembly and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components before beginning the installation.
- Ensure you are in a welllit and organized workspace.

### 2. Assembly Steps:

- **Trigger Guard Assembly:**
  - Align the trigger guard with the lower receiver and secure it using the provided pins.
- **Magazine Catch Assembly:**
  - Insert the magazine catch into the designated hole and secure it with the retaining spring.
- **Bolt Catch Assembly:**
  - Position the bolt catch in its slot and secure it with the appropriate screws.
- **Pivot/Takedown Pin Assemblies:**
  - Install the pivot and takedown pins in their respective locations.
- **Buffer Retaining Pin/Spring:**
  - Insert the buffer retaining pin and spring into the buffer tube.
- **Selector Assembly:**
  - Install the S/A ambidextrous selector assembly according to the provided instructions.
- **Trigger Group Installation:**
  - Follow the specific instructions for the complete LMT AXLE® TwoStage trigger group installation.

### 3. Final Checks:

- Once assembled, doublecheck all components for secure installation.
- Ensure that the firearm functions properly before use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If any components are damaged or no longer usable, follow local guidelines for the disposal of firearm parts.
- Do not dispose of the product in regular household waste. Instead, seek out a local recycling program that accepts firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the LMT .308 Lower Parts Kit, please consult the product warranty or reach out to the manufacturer for assistance. Always ensure you have the latest safety information and updates related to your product.

Thank you for prioritizing safety and compliance in your firearm assembly. Enjoy your LMT .308 Lower Parts Kit responsibly!
