Safety Instruction Guide for SEMIAUTO SAFETY SELECTOR LMT DEFENSE

Introduction

Thank you for choosing the SEMIAUTO SAFETY SELECTOR from LMT Defense. This product is designed to enhance the safety and functionality of your AR15 or AR10 weapon system. It is crucial to understand how to use this product safely and effectively to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Ensure the safety selector is engaged when the firearm is not in use.
- Regularly inspect the safety selector for any signs of wear or damage.
- Store firearms and ammunition in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the SEMIAUTO SAFETY SELECTOR is installed correctly before use.
- Do not modify the safety selector or any other firearm components.
- Use only compatible parts with your AR15 or AR10 system.
- Be aware that the safety selector is ambidextrous; familiarize yourself with its operation from both sides.
- Always check that the safety is engaged before handling the firearm.
- If you experience any issues with the safety selector, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Disassemble the firearm according to the manufacturer's instructions.
- Remove the existing safety selector if applicable.
- Install the SEMIAUTO SAFETY SELECTOR by following these steps:
 - Insert the safety detent and spring (not included) into the appropriate position.
 - Align the safety selector with the receiver and press it into place.
 - Ensure the levers are positioned correctly for engagement.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- To engage the safety, move the lever to the "Safe" position.
- To disengage the safety, move the lever to the "Fire" position.
- Practice using the safety selector to ensure familiarity with its operation.
- Always check the operation of the safety selector before firing.

Disposal Instructions

- Dispose of the SEMIAUTO SAFETY SELECTOR responsibly.
- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for firearm components.

Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer or refer to the product's official website. Ensure that you have the product information ready when reaching out for support.

By following these guidelines, you can ensure the safe and effective use of your SEMIAUTO SAFETY SELECTOR. Always prioritize safety and stay informed about best practices for firearm handling.
