SEMIAUTO SAFETY SELECTOR User Safety Instructions

Introduction

Thank you for choosing the SEMIAUTO SAFETY SELECTOR by LMT Defense. This ambidextrous safety selector is designed to enhance the functionality of your AR15/AR10 weapon system. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction.
- Store firearms and ammunition separately and securely.
- Ensure that you understand the operation of your firearm and its components.
- Be aware of your surroundings and ensure a clear line of sight before engaging the safety selector.
- Regularly inspect the safety selector and your firearm for signs of wear or damage.

Specific Safety Precautions for Use

- Ensure that the safety selector is fully engaged before handling or transporting your firearm.
- Do not attempt to modify or alter the safety selector in any way.
- Always use the safety selector in accordance with the manufacturer's instructions.
- Be cautious when operating the safety selector in low light conditions.
- If you experience any difficulty with the safety selector, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Gather Required Tools:

- Ensure you have the necessary tools for installation, including a punch tool and a hammer.

2. Remove Existing Safety Selector:

- Clear your firearm of ammunition and ensure it is safe to work on.
- Use a punch tool to remove the existing safety selector by driving out the retaining pin.

3. Install the New Safety Selector:

- Align the new SEMIAUTO SAFETY SELECTOR with the safety detent and spring.
- Insert the safety selector into the designated slot on your firearm.
- Secure the safety selector by replacing the retaining pin.

4. Test Functionality:

- After installation, check the operation of the safety selector to ensure it engages and disengages smoothly.

Usage Instructions

- To engage the safety, rotate the lever to the "Safe" position.
- To disengage the safety, rotate the lever to the "Fire" position.
- Practice operating the safety selector in a safe environment to familiarize yourself with its function.

Disposal Instructions

- Dispose of the SEMIAUTO SAFETY SELECTOR in accordance with local regulations.
- If the product is damaged or no longer in use, ensure it is stored securely until disposal.

Contact Information for Further Support

For any inquiries related to safety or product support, please reach out to the authorized contact point in your region. Ensure you have your product details ready for assistance.

By adhering to these safety instructions, you can ensure a safe and effective experience with your SEMIAUTO SAFETY SELECTOR. Stay informed about product recalls and safety updates through official channels, and always prioritize safety in your firearm practices.
