# FLIPUP BATTLE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the FLIPUP BATTLE SIGHTS from LMT Defense. These sights are designed to provide a reliable backup sighting solution for firearms, specifically compatible with 5.56mm and 7.62mm rifles. This guide outlines important safety instructions and precautions to ensure safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Keep the sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage.
- Do not use the sights if damaged or if any components are missing.
- Ensure that the sights are mounted securely before use.
- Avoid using the sights in extreme weather conditions which may affect performance.
- Follow all local laws and regulations regarding firearm use and accessories.

## Specific Safety Precautions for Use

- When using the sights, ensure you are in a safe and controlled environment.
- Always wear appropriate eye and ear protection while shooting.
- Do not point the firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a clear line of sight when aiming.
- If you experience any malfunction with the sights, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the mounting area on your rifle where the sights will be installed.
- Align the sights with the mounting rail and secure them using the provided hardware.
- Tighten the screws or mounts to ensure the sights are firmly attached, but do not overtighten to avoid damage.

### 2. Usage:

- Flip the rear sight aperture to the desired position before aiming.
- Adjust the windage as needed to ensure accurate targeting.
- Practice shooting at a safe range to become familiar with the sighting system.
- Regularly check the alignment and settings of the sights before each use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the sights in regular household waste.
- Check with local authorities for proper disposal methods.

## Contact Information for Further Support
