# M203 Leaf Sight Safety Instruction Guide

## Introduction

Thank you for choosing the M203 Leaf Sight by LMT Defense. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the M203 Leaf Sight.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure the product is suitable for your specific firearm model.
- Regularly inspect the sight for any signs of damage or wear.
- Keep the sight clean and free from obstructions to ensure proper functionality.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Store the sight in a safe place when not in use, away from children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the sight.
- Do not use the sight if it appears damaged or malfunctioning.
- Avoid exposing the sight to extreme temperatures or harsh environmental conditions.
- Do not modify the sight in any way, as this may compromise its safety and performance.
- Always wear appropriate eye protection when using firearms equipped with the sight.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

1. **Select Mounting Option:** Choose between the carbine/rifle heat shield mount or the 1913 Picatinny rail mount based on your firearm's compatibility.
2. **Prepare the Firearm:** Ensure the firearm is unloaded and the safety is engaged.
3. **Attach the Sight:**
  - For the heat shield mount:
    - Align the sight with the heat shield and secure it using the provided mounting hardware.
  - For the Picatinny rail mount:
    - Slide the sight onto the rail and tighten the mounting screws until secure.
4. **Check Alignment:** Ensure the sight is properly aligned for accurate aiming.

### Usage

1. **Adjust the Sight:** Familiarize yourself with the adjustment features of the sight. Make necessary adjustments before firing.
2. **Practice Safe Handling:** Always follow firearm safety rules when using the sight.
3. **Regular Maintenance:** Clean the sight regularly and check for any loose screws or components.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic waste and firearm accessories.
- If the sight is damaged beyond repair, ensure it is disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the appropriate contact point in your region.

Thank you for your attention to these safety guidelines. Enjoy using your M203 Leaf Sight responsibly!
