

AFTERBURNER + RAMJET FOR GLOCK 48 - RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 48 - BLACK

AFTERBURNER + RAMJET FOR GLOCK 48 The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET FOR GLOCK 48

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for GLOCK 48. This product is designed to enhance your shooting experience with improved recoil reduction and accuracy. However, it is essential to understand the safety guidelines associated with its use to ensure your safety and the safety of others. This guide provides essential information to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the AFTERBURNER + RAMJET.
- Always handle firearms with care and follow standard safety practices.
- Keep the product out of reach of children and unauthorized users.
- Use only compatible firearms as specified in the product description.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the AFTERBURNER + RAMJET.
- Ensure the firearm is unloaded before installing or removing the AFTERBURNER + RAMJET.
- Do not use the product if it shows signs of damage or malfunction.
- Avoid using the product in environments where it may be exposed to extreme conditions, such as excessive moisture or heat.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm accessories.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded.
- Slide the AFTERBURNER compensator over the barrel of the GLOCK 48.
- Insert the locking screw into the INTRALOK mounting system.
- Tighten the locking screw until secure, ensuring the compensator is properly aligned with the barrel.
- Check that the installation is secure before use.

2. Usage

- Always verify the firearm is in a safe condition before handling.
- When ready to use, ensure that all safety measures are in place.
- Fire the weapon in a controlled manner, being mindful of recoil and muzzle rise.
- After use, allow the firearm and the AFTERBURNER + RAMJET to cool before handling for cleaning.

3. Maintenance

- Regularly clean the AFTERBURNER and RAMJET barrel to maintain performance.
- Use appropriate cleaning solutions and tools that are safe for stainless steel.

- Inspect the compensator and barrel for signs of wear or damage after each use.

Disposal Instructions

- Dispose of the AFTERBURNER + RAMJET responsibly in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling metal components where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For additional information or assistance regarding the AFTERBURNER + RAMJET, please refer to the manufacturer's website or contact their customer service department. Ensure you have your product details available for a more efficient support experience.

By following these guidelines, you can ensure a safe and enjoyable experience with your AFTERBURNER + RAMJET for GLOCK 48. Always prioritize safety and responsible usage.
