RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 48 - BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

AFTERBURNER + RAMJET FOR GLOCK 48 The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 48

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your GLOCK 48. This product has been designed to enhance your shooting experience by providing improved recoil reduction and accuracy. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Ensure that this product is used only by individuals who are legally permitted to possess firearms.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation may result in malfunction or injury.
- Failure to follow cleaning and maintenance instructions may lead to decreased performance or damage.
- Using the product with incompatible firearms may cause safety hazards.

• Avoiding Hazards:

- Ensure that the compensator and barrel are securely attached before firing.
- Do not attempt to modify or alter the product in any way.
- Always wear appropriate eye and ear protection while using the firearm.
- Be aware of your surroundings and ensure that the area is clear of unauthorized individuals.

• AgeSpecific Warnings:

- This product is intended for use by adults only.
- Ensure that minors are supervised by a responsible adult when handling firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Make sure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the GLOCK 48 slide.
- Align the RAMJET barrel with the slide and insert it.
- Use the INTRALOK® mounting system:
 - Slide the AFTERBURNER compensator over the RAMJET barrel.
 - Insert the tapered locking screw into the angled Vgroove on the underside of the barrel.
 - Tighten the locking screw until secure, ensuring that the compensator is properly aligned.

2. Usage:

- Always perform a function check to ensure proper installation.
- Fire the firearm in a controlled environment, adhering to all safety protocols.
- After use, allow the firearm to cool before cleaning.

3. Cleaning and Maintenance:

- Regularly clean the barrel and compensator to maintain performance.
- Use only recommended cleaning materials to avoid damage.
- Store the product in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of in regular household waste.
- Contact local waste management services for guidance on proper disposal methods for firearm accessories.

Contact Information for Further Support

For any inquiries or concerns regarding the AFTERBURNER + RAMJET for GLOCK 48, please refer to the manufacturer's website or customer support resources. Ensure you have your product information available when seeking assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AFTERBURNER + RAMJET for GLOCK 48. Always prioritize safety and responsibility when handling firearms and their accessories.
