

AFTERBURNER + RAMJET FOR GLOCK 48 - RAMJET BARREL W/AFTERBURNER MICRO COMP FOR GLOCK 48 - BRONZE

AFTERBURNER + RAMJET FOR GLOCK 48 The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 48

Introduction

Thank you for choosing the AFTERBURNER + RAMJET combo for your GLOCK 48. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure you are familiar with firearm safety rules before using this product.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store this product and your firearm in a secure location away from children and unauthorized users.
- Regularly inspect your firearm and this product for any signs of damage or wear.
- If you encounter any issues or have concerns about safety, do not hesitate to seek assistance from a qualified professional.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use this product only with the GLOCK 48 model.
- Do not attempt to modify or alter the AFTERBURNER or RAMJET components.
- Ensure the firearm is unloaded before installing or removing the AFTERBURNER and RAMJET.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of the potential for increased muzzle blast and noise when using the compensator.
- Always wear appropriate eye and ear protection when firing your firearm.
- Keep your hands and face clear of the muzzle when firing.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver for the locking screw.

2. Installing the RAMJET Barrel:

- Remove the slide from the GLOCK 48.
- Insert the RAMJET barrel into the slide, ensuring it is properly aligned.
- Secure the barrel in place as per the manufacturer's instructions.

3. Attaching the AFTERBURNER Compensator:

- Slide the AFTERBURNER compensator over the RAMJET barrel.
- Insert the tapered locking screw into the compensator and tighten securely.
- Ensure the compensator is locked in place and properly aligned.

4. Final Checks:

- Inspect the installation for any signs of improper fitting.

- Ensure all components are securely attached before use.

Usage

- Always follow safe firearm handling practices.
- Regularly clean and maintain both the RAMJET barrel and AFTERBURNER compensator to ensure optimal performance.
- Check for any signs of wear or damage before each use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm parts and accessories.
- Do not dispose of in regular household waste.
- Contact local authorities or a waste management facility for guidance on proper disposal methods.

Contact Information for Further Support
