

MAGWELL FOR GLOCK® GEN-3 17/22/31/34/35 - MAGWELL FOR GLOCK 17/22/31/34/35 GEN 3 GRAY

Guide your loaded magazine smoothly and quickly into the Glock pistol's grip with the sleek Tyrant Designs Glock Gen3 17/22/31/34/35/45 compatible Magwell. Made of high-quality materials, these carefully designed magwells make it so easy that with just a little practice, you can load a fresh magazine without ever looking at the pistol. Win competitions or defend yourself better with those added seconds. Increase your reloading speed In a competition, it can come down to microseconds. Speed is essential, no matter what the scenario, especially the time lapse between magazine changes. The enhanced ergonomics of their Tyrant Designs Glock-compatible Magwell will increase your loading speeds. Forward relief cuts provide comfort, and an aggressive funnel ensures your reloads will be quick and successful. You'll never fumble a magazine change again. In emergency situations, fumbles are the difference between life and death. In those events, these microseconds are even more important, and you never want to question if being faster might help in a self-defense scenario. How it all works The magwell adapter flares out to create a wider opening to guide the magazine into the firearm. Shaped like a funnel, it cuts down on the fumbling and the need for an exact aim to get the magazine into the firearm. Less fumbling equals faster reload speed. Designed to improve reloads Made of high-quality aluminum, these magwells designed for the Glock 17, 22, 31, 34, 35, and 45 provide weight to help improve your reloads. This weight also provides balance for your Glock. Never lose parts again with this one-piece design. Retention is more comfortable with a set screw, which is made of anodized aluminum. Functionality and retention are ensured by the underside cuts. Removal of faulty or stuck magazines will never be a problem because of the ramp and edge."

Safety Instruction Guide for MAGWELL FOR GLOCK® GEN3 17/22/31/34/35

Introduction

Thank you for purchasing the MAGWELL for GLOCK® GEN3 17/22/31/34/35. This product is designed to enhance your reloading speed and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with GLOCK® GEN3 firearms. Always follow safety guidelines when handling firearms and accessories.
- **Enhanced Recalls:** Be aware that if any safety issues arise with this product, standardized recall notices will be issued. Always keep updated on any recalls.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. You have the same protections as when buying in physical stores.
- **Special Consumer Focus:** This product is not intended for children. Ensure that it is stored safely and out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the relevant EU-based authority or the manufacturer.
- **Rapid Alerts:** Stay informed about any safety alerts regarding this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Always handle firearms safely:** Treat every firearm as if it is loaded. Always point the firearm in a safe direction.
- **Ensure proper installation:** Follow the installation instructions carefully to avoid any hazards.
- **Check for damage:** Before use, inspect the magwell for any signs of damage or wear. Do not use if damaged.
- **Practice reloading:** Spend time practicing with the magwell to ensure familiarity and confidence during use.
- **Avoid distractions:** When using the firearm, ensure you are in a safe and distraction-free environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before starting the installation.
- Align the magwell with the grip of the GLOCK® GEN3 firearm.
- Secure the magwell using the provided set screw. Ensure it is tightly fastened but do not overtighten.
- Confirm that the magwell is properly seated and does not interfere with the operation of the firearm.

2. Usage:

- When reloading, maintain a firm grip on the firearm.
- Use the funnel shape of the magwell to guide the magazine into the grip.
- Practice reloading to become proficient. Speed and accuracy improve with practice.
- In emergency situations, focus on maintaining control and reducing fumbling.

Disposal Instructions

- Dispose of the product responsibly. Do not discard in regular household waste.
- Check local regulations for proper disposal of firearm accessories.
- If the product is damaged beyond use, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please contact your local EU authority or the manufacturer directly. Always ensure you have the latest information regarding safety guidelines and product recalls.

By following these safety instructions, you can ensure a safe and effective experience with your MAGWELL for GLOCK® GEN3 firearm. Thank you for prioritizing safety.
