SCT 17 Magwell for Glock 17 Safety Instruction Guide

Introduction

Thank you for choosing the SCT 17 Magwell for Glock 17. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the SCT 17 Magwell is compatible with the SCT 17 frame only.
- Do not modify or alter the insert hole on the SCT 17 frame, as this may affect the fit and function of the magwell.
- Use the magwell only for its intended purpose to avoid accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the magwell for any signs of wear or damage. If any issues are found, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always handle firearms with care and follow all standard safety protocols when using the SCT 17 Magwell.
- Ensure that the firearm is unloaded before installing or removing the magwell.
- Avoid using excessive force during installation to prevent damage to the magwell or the frame.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any issues while using the magwell, stop using it and consult a professional.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your Glock 17 is unloaded and the area is clear.
2. **Align the Magwell:** Position the SCT 17 Magwell at the base of the SCT 17 frame.
3. **Secure the Magwell:** Use the innovative screwless design to press the magwell into place. Ensure that the front retention hook is engaged for a solid fit.
4. **Check Installation:** Verify that the magwell is securely attached and does not move when pulled or pushed.

Usage

- To change magazines, simply release the magazine from the firearm and insert a new one. The magwell allows for faster magazine changes.
- Maintain a firm grip on the firearm while using the magwell to enhance stability and control.
- Regularly practice magazine changes to become proficient in using the magwell effectively.

Disposal Instructions

- Dispose of the magwell responsibly, following local regulations for plastic and metal waste.
- Do not dispose of the magwell in regular household waste. Check for recycling options in your area.

Contact Information for Further Support
