PACESETTER RIFLE THREEDIE SETS LEE PRECISION 22 ARC

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SETS by LEE PRECISION. This product is designed for reloading 22 ARC cartridges and includes essential components for safe and effective use. Please read this safety instruction guide carefully to ensure proper handling and use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the die set by following all instructions provided. This product is designed for nonfood use and should be treated with care.
- **Enhanced Recalls:** Stay informed about any recalls or updates regarding this product. Check official sources for information on safety recalls.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations and offers the same protections as physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Be proactive in checking for updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the die set, read all instructions and load data provided in the packaging.
- **Wear Protective Gear:** Always wear safety glasses and gloves when reloading ammunition to protect yourself from potential hazards.
- **Use in a WellVentilated Area:** Ensure that you are working in a wellventilated space to avoid inhaling any dust or fumes from the materials used.
- **Check for Damage:** Inspect all components of the die set for damage or wear before use. Do not use damaged components.
- **Avoid Overloading:** Follow recommended load data strictly to prevent dangerous overloading of cartridges.
- **Keep Work Area Clean:** Maintain a clean and organized workspace to reduce the risk of accidents.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Attach the Full Length Sizing Die to the press using the provided universal shell holder.
- Follow the manufacturer's instructions for proper installation.

2. Reloading Process:

- **Full Length Sizing:** Insert the empty case into the shell holder and operate the press to size the case.
- **Bullet Seating:** After sizing, insert the bullet seating die and adjust it according to the desired bullet depth.
- **Factory Crimping:** Finally, use the factory crimp die to ensure a secure crimp on the bullet.

3. Final Inspection:

- After reloading, inspect each cartridge for proper seating and crimping.
- Store completed cartridges in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Check for local hazardous waste disposal options.
- Ensure that all empty cartridge cases are disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SETS, please refer to the contact information provided by your retailer or manufacturer. They can assist with any safety inquiries or product support you may need.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation. Enjoy your reloading!
