

THE THING 3 BLACK

SPIRITUS SYSTEMS THE THING 3 The THING 3: Chest Rig Platform The THING 3 is a robust, rigid load-bearing platform designed to enhance the carrying capacity of your Micro Fight chest rig system or serve as a solid foundation for a custom pouch setup with its MOLLE-compatible front. Featuring a 4-column double-sided MOLLE field on each side, the THING 3 provides ample space for attaching pouches on both the front and back. * The Thing 3 requires the addition of a Fat Strap and Back Strap. SOLD SEPARATELY. * FEATURES: Fully Articulating Buckles: Each end of the THING 3 is equipped with secure buckles mounted on eyelets, allowing full articulation for superior flexibility and comfort. Quick Placard Attachment: A dedicated loop field and retaining loops make attaching your Micro Fight MkV, Micro Fight Mk4, or other brand placards a breeze, enabling fast, secure swaps between your chest rig and plate carrier. Additional MOLLE Field: The center of the THING 3 features a MOLLE field on both sides. This allows you the option to run 3 SPUD Pouches up front, or to place admin pouches close to your body. Modular Design: The center portion of the THING 3 can be separated to add accessories such as the SACK Pouch, Lunch Box, or Brunch Box via hook-and-loop fasteners. Fat Strap Compatibility: When not using a placard, the THING 3 comes with two 1" male split-bar buckles for easy attachment of the Fat Strap. Available in Coyote Brown and Black Only Since the THING 3 is designed to be covered by pouches, their offering it exclusively in Coyote Brown and Black. SPECIFICATIONS: Hook & loop attachment Dimensions 9 1/2 " x 5" Dimensions (Approximate) Length 22.5", Width 6" Some images shown with optional accessories, sold separately

Safety Instruction Guide for THE THING 3 Chest Rig Platform

Introduction

Thank you for choosing THE THING 3 Chest Rig Platform by SPIRITUS SYSTEMS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this guide carefully before using the product to ensure a safe and enjoyable experience.

General Safety Guidelines

- **Product Safety:** THE THING 3 is designed to be safe for use when following the instructions provided. Ensure that you understand all safety precautions and guidelines before use.
- **User Responsibility:** It is the user's responsibility to ensure that the product is used as intended and in accordance with the provided guidelines.
- **Age Restrictions:** This product is not intended for use by children. Ensure that it is used only by individuals who are capable of using it safely.
- **Regular Inspections:** Periodically inspect THE THING 3 for any signs of wear or damage. If any damage is found, discontinue use immediately.
- **Environmental Considerations:** Avoid using the product in extreme weather conditions or environments that may compromise its integrity.

Specific Safety Precautions for Use

- **Secure Attachments:** Ensure that all buckles and straps are securely fastened before use to prevent accidental release during operation.
- **Weight Limit:** Do not exceed the recommended weight limit for attachments on THE THING 3. Overloading may compromise safety and performance.
- **Proper Fit:** Ensure that THE THING 3 fits properly and comfortably on your body. An improper fit can lead to discomfort or injury.
- **Avoid Sharp Objects:** Keep sharp objects away from the product to prevent damage to the fabric and components.
- **Training:** Users should be trained in the proper use of tactical gear to ensure effective and safe operation.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary accessories, including the Fat Strap and Back Strap (sold separately).
- Inspect the product for any visible damage before use.

2. Attaching the Fat Strap:

- Locate the two 1" male splitbar buckles on THE THING 3.
- Attach the Fat Strap securely to these buckles, ensuring that they are locked in place.

3. Attaching Pouches:

- Utilize the MOLLEcompatible front to attach pouches.
- Ensure that all pouches are securely fastened and do not obstruct movement.

4. **Adjusting for Fit:**

- Adjust the buckles on each end of THE THING 3 for a comfortable fit.
- Test the fit by moving around to ensure that it does not shift or slide.

5. **Using with a Placard:**

- If using a placard, ensure that it is properly attached using the dedicated loop field and retaining loops.
- Check that the placard is secure before engaging in any activity.

6. **Storage:**

- When not in use, store THE THING 3 in a cool, dry place away from direct sunlight to prevent degradation of materials.

Disposal Instructions

- **Environmental Responsibility:** Dispose of THE THING 3 and any associated packaging materials in accordance with local regulations.
- **Recycling:** Where possible, recycle materials to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or usage of THE THING 3, please consult your retailer or the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using THE THING 3 Chest Rig Platform responsibly!
