Specific Safety Precautions for Use

- Always ensure that the THE THING 3 is properly secured before use to prevent accidental detachment.
- Inspect the buckles and attachment points regularly for wear and tear. Replace any damaged components immediately.
- Do not overload the chest rig beyond its designed capacity to avoid injury or failure of the rig.
- Use only compatible accessories and attachments as specified by the manufacturer to ensure safety and functionality.
- Ensure that the Fat Strap and Back Strap are installed correctly before use.
- Avoid using the THE THING 3 in extreme weather conditions that may compromise its integrity or your safety.

Instructions for Installation and Usage

1. Preparation:

- Unpack the THE THING 3 and check for any visible damage. If damaged, do not use and contact the manufacturer.

2. Attachment of Straps:

- Attach the Fat Strap and Back Strap (sold separately) to the designated buckles on the THE THING 3. Ensure that they are securely fastened.

3. Attaching Pouches:

- Utilize the MOLLEcompatible front to attach your desired pouches.
- Ensure that pouches are securely fastened and do not obstruct your movement or visibility.

4. Adjusting Fit:

- Adjust the buckles on both sides of the THE THING 3 for a comfortable and secure fit. The fully articulating buckles allow for superior flexibility.

5. Using Placards:

- For quick placard attachment, align your Micro Fight MkV, Mk4, or other compatible placards with the dedicated loop field and retaining loops. Ensure a secure fit.

6. Final Check:

- Before use, perform a final check to ensure all components are securely attached and adjusted to your comfort.

Disposal Instructions

- When disposing of the THE THING 3, follow local regulations regarding textile and plastic waste.
- If the product is damaged or no longer usable, consider recycling components where possible to minimize environmental impact.
