

MATCHKING X 270 CAL (.277") HOLLOW POINT BOAT TAIL RIFLE BULLETS - MATCHKING X 270 CALIBER (.277") 135GR HPBT 100/BOX

MATCHKING X 270 CALIBER (.277") HOLLOW POINT BOAT TAIL RIFLE BULLETS

Next Generation MatchKing - Meeting the needs of demanding shooters - Sierra's new MatchKing-X (MKX) line is the next evolution of Sierra's renowned MatchKing series, blending their legacy of unmatched precision with devastating performance on game. Designed with hunters in mind, the MKX delivers the same exceptional long-range accuracy and shot-to-shot consistency that Sierra is known for, while offering enhanced terminal performance for more effective and reliable results in the field. Whether you're targeting long-distance accuracy or ensuring optimal performance, the MKX is engineered to elevate your hunting experience to the next level. **FEATURES:** Same ogive as MatchKing counterparts: near identical BC and allows shooters to use the same seating depth. MKX bullets are held to the same accuracy standards as their MatchKing counterparts. New construction methods alter the jacket mouth and nose, enabling the jacket to expand rapidly. Softer lead core compared to a traditional MatchKing enhances expansion at lower velocities, ensuring long-range performance.

Safety Instruction Guide for MATCHKING X 270 CAL (.277") HOLLOW POINT BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the MATCHKING X 270 CAL (.277") Hollow Point Boat Tail Rifle Bullets. This guide provides essential safety information to ensure safe handling, usage, and disposal of the product. It is important to read and understand these instructions to avoid potential hazards associated with the use of rifle bullets.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding the use and possession of ammunition.
- Always treat every bullet as if it is loaded. Handle with care and respect.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Regularly check for any visible damage to the packaging or bullets before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the MATCHKING X 270 CAL bullets in firearms that are specifically designed to handle this caliber.
- Wear appropriate safety gear, including eye protection and hearing protection, when handling or shooting.
- Do not exceed the recommended load data provided by your firearm manufacturer or bullet manufacturer.
- Ensure that the firearm is pointed in a safe direction at all times, especially when loading or unloading.
- Never attempt to modify or alter the bullets in any way.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Avoid using the bullets in damp or wet conditions to prevent corrosion and ensure reliable performance.

Instructions for Installation and Usage

- Always follow the manufacturer's instructions for your specific firearm when loading and firing bullets.
- Check the bullet seating depth to ensure it is within the recommended specifications for your firearm.
- Ensure that the firearm is clean and properly maintained before use.
- Load the bullets into the magazine or chamber only when ready to shoot.
- After firing, always check the chamber to ensure it is empty before handling or cleaning the firearm.
- Dispose of any misfired or damaged bullets according to local regulations.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations regarding hazardous waste.
- Do not throw bullets in regular trash or leave them in an unsafe location.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the MATCHKING X 270 CAL bullets, please consult the product packaging or the manufacturer's website for additional information and support.

Stay safe and enjoy your shooting experience responsibly.
