Safety Instruction Guide for Walker's Suppressor Rechargeable Ear Buds with Bluetooth

Introduction

Thank you for choosing Walker's Suppressor Rechargeable Ear Buds with Bluetooth. This guide provides essential safety instructions to ensure the safe and effective use of your ear buds. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions.
- Keep the ear buds out of reach of children and vulnerable individuals.
- Regularly check for any damage to the ear buds or charging case before use.
- Avoid exposure to extreme temperatures, moisture, and direct sunlight.
- Do not use the ear buds while operating heavy machinery or in situations requiring full auditory awareness.
- If you experience discomfort or hearing issues while using the ear buds, discontinue use and consult a healthcare professional.

Specific Safety Precautions for Use

- **Hearing Protection:** The ear buds provide noise reduction of up to 24 dB. Do not exceed the recommended usage time to prevent hearing damage.
- **Battery Safety:**
 - Use only the provided charging case or USBC cable for charging.
 - Do not expose the battery to water or extreme conditions.
 - If the battery shows signs of swelling or leakage, discontinue use and dispose of it properly.
- **Bluetooth Connectivity:**
 - Ensure your device is compatible with Bluetooth 5.3.
 - Keep the ear buds away from devices that may cause interference.
- **Hygiene:** Regularly clean the ear buds and charging case to prevent buildup of dirt and bacteria.

Instructions for Installation and Usage

1. Charging the Ear Buds:

- Place the ear buds in the charging case.
- Connect the charging case to a power source using the USBC cable.
- The battery status indicator will show the charging status.

2. Connecting to a Device:

- Turn on the ear buds by removing them from the charging case.
- Enable Bluetooth on your mobile device.
- Select "Walker's Suppressor Ear Buds" from the list of available devices.

3. Using the Touch Controls:

- Use the touch surface to control music playback and phone calls.
- Refer to the user manual for specific touch commands.

4. Adjusting Volume and Frequency Modes:

- Adjust volume using your device's controls.
- Cycle through frequency modes as per your preference.

5. Auto Shut Off:

- The ear buds will automatically turn off when placed back in the charging case or after a period of inactivity.

Disposal Instructions

- Dispose of the ear buds and charging case in accordance with local regulations for electronic waste.
- Do not throw the ear buds in regular household waste.
- Remove the battery before disposal, if applicable, and dispose of it in a designated battery recycling facility.

Contact Information for Further Support

For any inquiries regarding safety or product functionality, please refer to the manufacturer's website or contact the designated support team.

Thank you for following these safety instructions. Enjoy your Walker's Suppressor Rechargeable Ear Buds with Bluetooth!
