# SUPPRESSOR RECHARGEABLE EAR BUDS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Walker's Suppressor Rechargeable Ear Buds with Bluetooth. These ear buds are designed to provide highquality sound while ensuring your hearing protection. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the ear buds are used only for their intended purpose as hearing protection and audio devices.
- Keep the ear buds out of reach of children and vulnerable individuals to prevent misuse.
- Regularly check the ear buds for any signs of damage or wear. Do not use if damaged.
- Follow all instructions for charging and maintenance to ensure the longevity of the product.
- In the event of an allergic reaction or discomfort, discontinue use immediately and consult a healthcare professional.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hearing Protection:** The ear buds provide a Noise Reduction Rating (NRR) of 24 dB. Ensure they fit securely in your ears to maximize noise reduction.
- **Bluetooth Usage:** When using Bluetooth, ensure that your device is compatible with Bluetooth 5.3. Be mindful of your surroundings to avoid accidents while using the ear buds.
- **Water and Dust Resistance:** The ear buds have an IP54 rating, which means they are resistant to dust and splashes of water. However, do not submerge them in water.
- **Battery Safety:** Only use the provided charging case or USBC cable for recharging. Avoid exposing the battery to extreme temperatures or direct sunlight.
- **Hearing Damage:** Prolonged exposure to high volumes can lead to hearing damage. Keep the volume at a safe level.

## Instructions for Installation and Usage

### 1. Charging the Ear Buds:

- Place the ear buds in the charging case.
- Connect the charging case to a power source using the USBC cable provided.
- The battery status indicator will show the charging status. Ensure the ear buds are fully charged before first use (approximately 6 hours of run time per charge).

### 2. Connecting via Bluetooth:

- Turn on the ear buds by removing them from the charging case.
- Enable Bluetooth on your mobile device.
- Select "Walker's Suppressor Ear Buds" from the list of available devices to connect.
- For touch surface controls, refer to the product manual for specific gestures.

### 3. Using the Ear Buds:

- Adjust the ear buds to ensure a comfortable and secure fit.
- Use the touch controls to manage music playback and calls. For detailed instructions, refer to the product manual.

- Switch between frequency modes as needed to suit your environment.

#### **4. Maintenance:**

- Clean the ear buds regularly with a soft, dry cloth. Avoid using any harsh chemicals.
- Store the ear buds in the charging case when not in use to protect them from damage.

## **Disposal Instructions**

- Do not dispose of the ear buds or their components in regular household waste.
- Follow local regulations for the disposal of electronic devices and batteries.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your Walker's Suppressor Rechargeable Ear Buds!
