Safety Instructions for Walker's Suppressor Rechargeable Ear Buds

Introduction

Thank you for choosing Walker's Suppressor Rechargeable Ear Buds. These ear buds are designed to provide highquality audio while ensuring your hearing protection. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ear buds by following the guidelines provided in this document.
- **Enhanced Recalls:** Stay informed about potential recalls and safety notices related to this product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements like physical stores.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the appropriate EUbased contact.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Hearing Protection:** The ear buds provide 24 dB noise reduction. Ensure they are fitted properly to maximize protection.
- **Battery Safety:** Do not expose the rechargeable lithium batteries to extreme temperatures or moisture.
- **Charging:** Use only the provided wireless charging case or USBC cable to charge the ear buds.
- **Cleaning:** Regularly clean the ear buds with a dry cloth. Avoid using water or cleaning solutions.
- **Storage:** Store the ear buds in a cool, dry place when not in use.
- **Usage Limits:** Do not use the ear buds for extended periods without breaks to avoid ear fatigue.

Instructions for Installation and Usage

1. Charging the Ear Buds:

- Place the ear buds in the provided charging case.
- Ensure the case is charged using the USBC cable or wireless charging.
- The battery status indicator will show the charging status.

2. Pairing with Bluetooth Devices (if applicable):

- Turn on Bluetooth on your mobile device.
- Press the touch surface controls on the ear buds to enter pairing mode.
- Select "Walker's Suppressor Ear Buds" from the Bluetooth menu on your device.

3. Using the Ear Buds:

- Insert the ear buds into your ears, ensuring a snug fit for optimal noise reduction.
- Use touch surface controls to play music, answer calls, or adjust volume.
- For nonBluetooth use, simply use the ear buds as directed without connecting to any device.

4. Turning Off the Ear Buds:

- The ear buds will automatically shut off after a period of inactivity.
- You can also turn them off manually by holding the touch surface controls.

Disposal Instructions

- **Battery Disposal:** Dispose of the lithium batteries in accordance with local regulations for hazardous waste.
- **Ear Bud Disposal:** When the ear buds reach the end of their life, dispose of them responsibly. Check local guidelines for electronic waste disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your Walker's Suppressor Rechargeable Ear Buds, please refer to the contact information provided by your retailer or manufacturer.
