SUPPRESSOR RECHARGEABLE EAR BUDS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Walker's Suppressor Rechargeable Ear Buds. These ear buds are designed to enhance your listening experience while providing essential hearing protection. This safety instruction guide will help you understand how to use the product safely and effectively, ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ear buds by following the provided instructions. This product meets the necessary safety standards.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. If a recall occurs, you may be entitled to free remedies.
- **Online Shopping:** When purchasing online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Extra caution is advised when using this product around vulnerable groups, especially children.
- **EU Contact Point:** For safety inquiries, consult your local EU contact point.
- **Rapid Alerts:** Stay informed about any updates on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hearing Protection:** The ear buds provide a noise reduction rating (NRR) of 24 dB. Ensure they are properly fitted to maximize protection.
- **Battery Safety:** Only use the provided charging case or a USB-C cable for recharging. Do not use incompatible chargers.
- **Water and Dust Resistance:** The ear buds have an IP54 rating, meaning they are resistant to water and dust. However, avoid submerging them in water.
- **Age Restrictions:** These ear buds are not recommended for children under 12 years of age without adult supervision.
- **Regular Maintenance:** Clean the ear buds regularly to keep them in good working condition and to ensure optimal performance.

Instructions for Installation and Usage

1. Charging the Ear Buds:

- Place the ear buds in the wireless charging case.
- Connect the charging case to a power source using the USB-C cable provided.
- A battery status indicator will show the charging status.

2. Pairing with Bluetooth Devices (if applicable):

- Turn on the ear buds by removing them from the charging case.
- Enable Bluetooth on your mobile device.
- Select the ear buds from the list of available devices to pair.

3. Using Touch Controls:

- Tap the touch surface to control music playback or answer calls.
- Refer to the user manual for specific touch commands.

4. **Adjusting Fit:**

- Choose the appropriate ear tips from the provided options for a secure fit.
- Ensure the ear buds are snugly fitted in your ears for maximum noise reduction.

5. **Auto Shut Off:**

- The ear buds will automatically turn off after a period of inactivity. To reactivate, simply place them back in your ears.

Disposal Instructions

- **Battery Disposal:** Dispose of the lithium batteries in accordance with local regulations for hazardous waste.
- **Product Disposal:** When the ear buds reach the end of their life, do not dispose of them with regular household waste. Follow local guidelines for electronic waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the Walker's Suppressor Rechargeable Ear Buds, please refer to the manufacturer's website or consult your retailer for assistance.

By following these safety instructions, you can enjoy your Walker's Suppressor Rechargeable Ear Buds while ensuring your safety and compliance with EU regulations. Thank you for your attention to these important guidelines.
