BLK/GRAY

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

AFTERBURNER + RAMJET FOR GLOCK 48 The Radian® AFTERBURNER™ + RAMJET™ combo provide unprecedented recoil reduction and match grade accuracy in a concealed carry package. The threadless barrel design allows for effortless install/removal for cleaning, while LEGAL FOR SALE IN ALL 50 STATES*. The AFTERBURNER™ compensator is machined from hardened stainless steel and the RAMJET™ barrel from hardened 416R SS; both are enhanced with a Radianite™ coating. This combination achieves low friction, high hardness, and high corrosion resistance, making overall durability and erosion from muzzle blast a non-issue. Angled front faces on the AFTERBURNER aid in holstering. The INTRA-LOK® mounting system uses the taper lock principle; a tapered locking screw interfaces with an angled V-groove on the underside of the barrel. This perfectly times the compensator as it locks down onto the upper barrel profile on the muzzle end of the barrel. INTRA-LOK® allows the user to simply slide the compensator over the barrel, insert and tighten the locking screw, making for a simple and repeatable installation process. This system allows the user to easily remove the barrel from the slide for cleaning. Safety Instruction Guide for AFTERBURNER + RAMJET for GLOCK 48

Introduction

Thank you for choosing the AFTERBURNER + RAMJET for your GLOCK 48. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always handle firearms and related accessories with care and responsibility.
- Ensure that the product is used only with compatible firearms as specified by the manufacturer.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not modify the product in any way that is not expressly approved by the manufacturer.
- Keep the product out of reach of children and unauthorized users.
- Use appropriate protective gear, such as eye and ear protection, when using firearms.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing or removing the AFTERBURNER + RAMJET.
- Do not attempt to install or remove the product while the firearm is loaded or in a readytofire condition.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Be aware of your surroundings and ensure a clear shooting area when using the firearm.
- Use the product only as intended, following all installation and usage instructions provided.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Slide the AFTERBURNER compensator over the RAMJET barrel.
- Insert the locking screw into the tapered locking screw interface.
- Tighten the locking screw securely to ensure a proper fit.
- Check that the compensator is properly aligned and locked in place.

2. Usage:

- Always verify that the firearm is in a safe condition before use.
- Use the firearm in a controlled environment where it is safe to shoot.
- Regularly clean and maintain the AFTERBURNER + RAMJET to ensure optimal performance.
- If you experience any malfunctions or issues, discontinue use immediately and consult a qualified gunsmith.

3. Removal:

- Ensure the firearm is unloaded.
- Loosen and remove the locking screw from the AFTERBURNER.
- Slide the compensator off the RAMJET barrel for cleaning or maintenance.
- Store the product in a safe and secure location when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged beyond repair, consult local guidelines for the disposal of firearm accessories.
- Do not dispose of the product in regular household waste. Check for any specific disposal requirements for metal and other materials.

Contact Information for Further Support

For any questions or concerns regarding the AFTERBURNER + RAMJET, please contact the manufacturer or an authorized dealer. Ensure you have the product information available for reference.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your AFTERBURNER + RAMJET for GLOCK 48. Always prioritize safety and responsibility when handling firearms and accessories. Thank you for choosing our product!
