## Safety Instruction Guide

### Introduction

Thank you for choosing the FULL LENGTH SIZING DIES REDDING 6MM GT. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the dies.

### General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the product.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the work area clean and organized to prevent accidents.
- Store dies and other reloading components in a secure location, out of reach of children.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use only with compatible cartridges; the FULL LENGTH SIZING DIES REDDING 6MM GT is designed specifically for 6 GT cartridges.
- Ensure the die is properly installed in the reloading press before use.
- Do not exceed recommended loads when reloading ammunition.
- Avoid using damaged or worn dies; inspect for any signs of wear before each use.
- Follow the manufacturer's guidelines for setting up and adjusting the die.
- Use a headspace gauge when setting up the die to ensure proper sizing and functionality.

### Instructions for Installation and Usage

#### 1. Installation:

- Securely mount the die in the reloading press according to the manufacturer's instructions.
- Ensure the decapping assembly and expander ball are correctly installed.

#### 2. Usage:

- Prepare the cartridge cases by cleaning them thoroughly before sizing.
- Insert the cartridge case into the die and lower the ram of the press to size the case.
- After sizing, remove the case and inspect it for proper dimensions.
- Repeat the process for all cases to be resized.

#### 3. PostUsage:

- Clean the die after use to prevent corrosion and ensure longevity.
- Store the die in a dry and secure location.

### Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is no longer usable, follow local guidelines for the disposal of metal and plastic components.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information, which can typically be found on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing REDDING products.
