Consumer Safety Instruction Guide for X PRIORITY 1 OWB HOLSTER FOR SIG SAUER P320® W/SUREFIRE X300U®

Introduction

Thank you for choosing the GBRS Group X Priority 1 OWB Holster for your SIG Sauer P320® with SureFire X300U®. This guide provides important safety information and instructions to help you use this product safely and effectively.

General Safety Guidelines

- Always ensure that the holster is compatible with your firearm and light model.
- Inspect the holster before each use for any signs of damage or wear.
- Ensure that the firearm is unloaded before inserting it into the holster.
- Store the holster in a safe place, away from children and unauthorized users.
- Follow local laws and regulations regarding firearm carrying and storage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that a SureFire X300UA or X300UB light is properly mounted on your SIG Sauer P320® before use. This holster is not compatible with other brands or models of light.
- Always use the holster in conjunction with the True North Concepts Modular Holster Adapter for optimal performance.
- Do not modify the holster or use it in a manner not intended by the manufacturer.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may affect its integrity.
- When drawing your firearm from the holster, do so with caution and ensure that the muzzle is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation

- Ensure that your SureFire X300UA or X300UB light is securely attached to your SIG Sauer P320®.
- Align the holster with your belt or dropleg mounting option.
- Secure the holster using the adjustable screwon retention to your preferred level of retention.

2. Usage

- Always check that your firearm is unloaded before placing it in the holster.
- Insert the firearm into the holster with the muzzle facing down and the grip facing outward.
- Ensure that the firearm is fully seated in the holster.
- When removing the firearm from the holster, maintain control of the firearm and ensure that the muzzle is pointed in a safe direction.

Disposal Instructions

- When the holster reaches the end of its useful life or if it is damaged beyond repair, dispose of it in accordance with local regulations for plastic waste.
- Do not burn the holster as it may release harmful substances.
