MK2 Scope Mounts Safety Instruction Guide

Introduction

Thank you for choosing the MK2 Scope Mounts by Midwest Industries, Inc. This guide provides essential safety information to ensure the safe use and installation of your scope mounts. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure that the scope mount is compatible with your scope and firearm.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm and accessory usage.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the scope mount is securely attached before firing the firearm.
- Do not exceed the recommended weight limit for the scope mount.
- Avoid using the scope mount in extreme weather conditions unless specified.
- Be cautious of sharp edges during installation and handling.
- Do not modify the scope mount in any way, as this may compromise safety.
- Use the provided Midwest Industries Optic Mount Tool for adjustments to avoid damage.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools, including the Midwest Industries Optic Mount Tool and a Torx screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Mounting the Scope:

- Align the MK2 Scope Mount with the rail on your firearm.
- Use the Torx hardware to secure the clamps tightly, ensuring no movement occurs.
- Place the scope into the rings and adjust as necessary.

3. Final Adjustments:

- Check the alignment of the scope and make any necessary adjustments using the Optic Mount Tool.
- Ensure that the scope is level and properly positioned for your shooting needs.

Usage

- After installation, perform a function check to ensure the scope is securely mounted.
- Always check the scope mount and scope for any signs of wear or looseness before each use.
- If you experience any issues with the scope mount during use, cease operation immediately and inspect the mount.

Disposal Instructions

- Dispose of the MK2 Scope Mounts in accordance with local regulations regarding metal and aluminum waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.
