MK2 Scope Mounts Safety Instruction Guide

Introduction

Thank you for choosing the MK2 Scope Mounts by Midwest Industries, Inc. These mounts are engineered for precision and offer a reliable solution for your shooting needs. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure safe use of the MK2 Scope Mounts by following all safety instructions.
- Be aware of potential risks associated with improper installation or usage.
- Always inspect the mount before each use to ensure it is in good condition.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always use the scope mount in accordance with the manufacturer's instructions.
- Ensure that the scope mount is compatible with your specific optical device.
- Do not exceed the recommended weight limit for the scope mount.
- Avoid using the mount in extreme conditions that may affect its performance.
- Regularly check for signs of wear or damage to the mount, including clamps and rings.
- Use appropriate tools when adjusting the scope mount to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the Midwest Industries Optic Mount Tool.
- Ensure the workspace is clean and free from distractions.

2. Installation:

- Place the scope mount on the rifle's rail, aligning it with the desired position.
- Use the Torx hardware provided to secure the mount to the rail.
- Tighten the clamps evenly to ensure a secure fit without overtightening.

3. Scope Attachment:

- Carefully attach your scope to the mount, ensuring it is aligned correctly.
- Use the opticspecific replacement scope ring caps if needed.
- Adjust the scope to the desired height and alignment using the Midwest Industries Optic Mount Tool.

4. Final Checks:

- Inspect the installation to ensure everything is secure.
- Test the mount and scope for stability before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and aluminum components.

Contact Information for Further Support
